Federal Energy Regulatory Commission

[Docket No. ER05-424-000]

PJM Interconnection, L.L.C.; Notice of Filing

January 12, 2005.

Take notice that on December 30, 2004, American Electric Power Service Corporation (AEPSC) submitted a filing in reference to the Commission's September 28, 2004, Order in Docket No. ER04-1068-000, 108 FERC ¶ 61,318 (2004).

AEPSC states that a copy of the filing was served upon parties to Docket No. ER04-1068, AEP's transmission service customers, PJM members, the Midwest ISO, and the state regulatory commissions exercising jurisdiction over AEP.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the

"eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Once in the system, select "search," then key in the docket ID number identified above.

Any comments related to this ICR should be submitted to EPA and OMB within 30 days of this notice. EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EDOCKET as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose public disclosure is restricted by statute. When EPA identifies a comment containing copyrighted materials, EPA will provide a reference to that material in the version of the comment that is placed in EDOCKET. The entire printed comment, including the copyrighted material, will be available in the public docket. Although identified as an item in the official docket, information claimed as CBI, or whose disclosure is otherwise restricted by statute, is not included in the official public docket, and will not be available for public viewing in EDOCKET. For further information about the electronic docket, see EPA's **Federal Register** notice describing the electronic docket at 67 FR 38102 (May 31, 2002), or go to <http://www.epa.gov/edocket>.

Title: Region 7 Lead Education and Awareness Project in St. Louis, Missouri.

Abstract: EPA Region 7 and the Office of Compliance (OC) within the Office of Enforcement and Compliance Assurance (OECA) are planning to conduct a performance baseline survey and follow-up survey for the Lessors and Lessees sectors. OC is interested in having a baseline performance survey conducted and compliance assistance needs assessment for the Lessors sector. In addition, OC is interested in assessing the awareness and behavioral change of Lessees through a survey. There are three main purposes for these Lessor and Lessee surveys:

- To determine a baseline level of regulatory awareness of and compliance with the "Residential Lead-Based Paint
