Forest Service

Title: Commercial Use of Woodsy Owl Symbol—36 CFR Part 272.

OMB Control Number: 0596-0087.

Summary of Collection: The Forest Service National Symbols Coordinator will evaluate the data to determine if an individual corporation, or organization, requesting a license to use the Woodsy Owl symbol commercially should be granted a license or, if currently licensed, to determine the royalty fee the licensed entity must pay to the agency based on a percentage of the licensee's total sales and whether the licensed entity has met its stated objectives. Part 272 of title 36 CFR authorizes the Chief of the Forest Service to approve commercial use of the Woodsy Owl symbol and to collect royalty fees for such use. An individual or corporation may apply for a Woodsy Owl license by contacting Forest Service personnel by telephone, fax, and e-mail or by writing.

Need and Use of the Information: FS will collect information to determine how long the individual, corporation, or organization has been in business; the products the individual, corporation, or organization sells or plans to see; the geographical location from which the products will be sold; the projected sales volume; and how the individual, corporation, or organization plans to market the products. If information is not collected royalty fees would not be collected in keeping with federal cash management policies, and quantity of merchandise objectives would not be effectively monitored.

Description of Respondents: Business or other for-profit.

Number of Respondents: 10.

Frequency of Responses: Reporting: quarterly.

Total Burden Hours: 20.

SUPPLEMENTARY INFORMATION:

Background

The Codex Alimentarius Commission (Codex) was established in 1962 by two United Nations organizations, the Food and Agriculture Organization and the World Health Organization. Codex is the major international standard-setting organization for protecting the health and economic interests of consumers and encouraging fair international trade in food. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to ensure that the world's food supply is sound, wholesome, free from adulteration, and correctly labeled. In the United States, USDA, FDA, and the Environmental Protection Agency (EPA) manage and carry out U.S. Codex activities.

The Codex Committee on Methods of Analysis and Sampling (CCMAS) performs multiple functions; defines criteria appropriate for Codex Methods of Analysis and Sampling; specifies reference methods of analysis and sampling; endorses methods of analysis and sampling proposed by Codex Committees; elaborates sampling plans; and considers specific sampling and analysis problems. The Committee is chaired by Hungary.

Issues To Be Discussed at the Public Meeting

The following items on the agenda for the 26th Session of CCMAS will be discussed during the public meeting:

1. Matters referred by the Codex Alimentarius Commission and other Codex Committees
2. Proposed Draft Guidelines for Evaluating Acceptable Methods of Analysis
3. Fitness-for-Purpose Approach (for inclusion in the Proposed Draft

- Guidelines for Evaluating Acceptable Methods of Analysis)
4. Proposed Draft Guidelines for Settling Disputes on Analytical (Test) Results
 5. Use of Analytical Results (For inclusion in the Procedural Manual)
 6. Further Review of Analytical Terminology for Codex Use (For inclusion in the Procedural Manual)
 7. Criteria for Methods of analysis for foods derived from biotechnology
 8. Methods of analysis for dioxins and PCBs

Each issue listed will be fully described in documents distributed, or to be distributed, by the Hungarian Secretariat to the Meeting. Members of the public may access copies of these documents http://www.codexalimentarius.net/web/index_en.asp.

Public Meeting

At the March 15, 2005 public meeting, these agenda items will be described, discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate, for the 26th Session of the CCMAS, Dr. Gregory Diachenko (*See ADDRESSES*). Written comments should state that they relate to activities of the 26th Session of the CCMAS.

Additional Public Information

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that the public and in particular minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it on-line through the FSIS Web page located at <http://www.fsis.usda.gov/regulations/2005NoticesIndex/>.

FSIS also will make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meeting, recalls, and other types of information that could affect or would be of interest to our constituents and stakeholders. The update is communicated via Listserv, a free e-mail subscription service consisting of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals who have requested to be included. The update is available on the FSIS web page. Through Listserv and the web page, FSIS is able to provide information to a much broader, more diverse audience.

In addition, FSIS offers an email subscription service which provides an

automatic and customized notification when popular pages are updated, including **Federal Register** publications and related documents. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/ and allows FSIS customers to sign up for subscription options across eight categories. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves and have the option to password protect their account.

Done at Washington, DC on January 25, 2005.
