

Determination

As a result of the determinations by the Department and the ITC that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on foundry coke products from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. This review covers imports from all manufacturers and exporters of foundry coke from the PRC.

The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of this order not later than December 2011.

This five-year ("sunset") review and notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: January 4, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from the petitioner, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on oil country tubular goods (OCTG) from Argentina. This review covers one manufacturer/exporter of the subject merchandise, Siderca S.A.I.C. (Siderca). The Department is now rescinding this review based on record evidence indicating the respondent had no entries of subject merchandise during the period of review (POR). The POR is August 1, 2005 through July 31, 2006.

EFFECTIVE DATE: January 10, 2007.

FOR FURTHER INFORMATION CONTACT: Fred Baker or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482 2924 (Baker), (202) 482-0649 (James).

SUPPLEMENTARY INFORMATION:

Background

On August 11, 1995, the Department published the antidumping duty order on OCTG from Argentina. *See Antidumping Duty Order: Oil Country Tubular Goods from Argentina*, 60 FR 41055 (August 11, 1995). On August 1, 2006, we published in the **Federal Register** a notice of opportunity to request administrative reviews. *See Antidumping and Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 71 FR 43441 (August 1, 2006). On August 31, 2006, United States Steel Corporation (petitioner) requested that the Department conduct an administrative review of sales of the subject merchandise made by Siderca.

On September 29, 2006, the Department published a notice of initiation of this administrative review. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 57465 (September 29, 2006). The Department issued its antidumping duty questionnaire to Siderca on October 13, 2006. In response, Siderca stated in a November 1, 2006, submission that it had no entries for consumption of subject merchandise of OCTG during the POR, and requested that the Department rescind the administrative review with respect to Siderca.

On October 30, 2006, the Department placed on the record of the review copies of documents regarding entries of subject merchandise from Argentina that it obtained from U. S. Customs and Border Protection (CBP). On November 20, 2006, the Department issued a letter to petitioners, domestic interested parties, and Siderca stating that the Department intended to rescind the review for want of a reviewable consumption entry by Siderca. We invited parties to submit comments on our intent to rescind the review. We requested that any comments be submitted by December 1, 2006. We received no comments.

Period of Review

The POR is August 1, 2005, through July 31, 2006.

This scope does not cover casing or tubing pipe containing 10.5 percent or more of chromium. Drill pipe was excluded from this order beginning August 11, 2001. *See Continuation of Countervailing and Antidumping Duty Orders on Oil Country Tubular Goods From Argentina, Italy, Japan, Korea and Mexico, and Partial Revocation of Those Orders From Argentina and Mexico With Respect to Drill Pipe*, 66 FR 38630 (July 25, 2001).

The HTSUS subheadings are provided for convenience and customs purposes. Our written description of the scope of this order is dispositive.

Rescission of Review

On November 1, 2006, Siderca informed the Department that it did not ship OCTG to the United States during the POR, and requested that we rescind the administrative review. The Department subsequently obtained and reviewed entry documents from CBP, and found no evidence that Siderca had knowledge that any of its production

was destined for the United States. In a November 20, 2006, letter to parties, we requested comments from parties on this determination, and received no comments. Therefore, based on our review of CBP documents, we are satisfied there were no entries of subject merchandise subject to this administrative review. Accordingly, we are rescinding the review.

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review, in whole or with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise. Because the evidence on the record shows that there were no entries of OCTG made by Siderca during the POR, the Department is rescinding this review in accordance with 19 CFR 351.213(d)(3). The Department will issue appropriate assessment instructions to CBP within fifteen days of publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties. This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) of the Tariff Act of 1930 (as amended) and 19 CFR 351.213(d)(4).

Polyethylene Retail Carrier Bags from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 10, 2007.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita or Matthew Quigley, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4243 or (202) 482-4551, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 28, 2005, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of Polyethylene Retail Carrier Bags ("PRCBs") from the People's Republic of China ("PRC") for the period January 26, 2004, through July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). On September 13, 2006, the Department published the preliminary results. See *Polyethylene Retail Carrier Bags from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 54021 (September 13, 2006). The final results are currently due by January 11, 2007.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary determination is published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the administrative review of PRCBs

from the PRC within the 120-day period due to complex issues the parties have raised regarding the selection of appropriate financial statements for the calculation of surrogate financial ratios. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review to 152 days until February 12, 2007.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: December 29, 2006.

Deputy Assistant Secretary for Import Administration.
