### Coast Guard

#### 33 CFR Part 117

[CGD13-06-048]

RIN 1625-AA09

#### Drawbridge Operation Regulations; Youngs Bay and Lewis and Clark River, OR

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of final rule.

**SUMMARY:** The Coast Guard is changing the operating regulations for the New Youngs Bay, Old Youngs Bay, and the Lewis and Clark River Drawbridges near Astoria, Oregon. This change was requested by the Oregon Department of Transportation (ODOT), owner of the bridges, due to reduced demand for draw openings. This final rule reduces the period when a one-half hour notice is required for openings and also reduces the four-hour notice required at all other times to two hours.

**DATES:** This rule is effective April 2, 2007.

**ADDRESSES:** Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of the docket (CGD13-06-048) and are available for inspection or copying at Commander (dpw), 13th Coast Guard District, 915 Second Avenue, Seattle, WA 98174-1067 between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** Austin Pratt, Chief Bridge Section, (206) 220-7282.

#### SUPPLEMENTARY INFORMATION:

##### Regulatory Information

On October 27, 2006, we published a notice of proposed rulemaking (NPRM) entitled "Drawbridge Operation Regulations; Youngs Bay and Lewis and Clark River, Astoria, Oregon" in the **Federal Register** (71 FR 62955). We received no comments on the proposed rule. No public meeting was requested and none was held.

##### Background and Purpose

The operating regulations currently in effect for the New Youngs Bay, Old Youngs Bay, and the Lewis and Clark River Drawbridges near Astoria, Oregon at 33 Code of Federal Regulations 117.89 provide that the spans need not open for the passage of vessels from 6 a.m. to 6 p.m. Monday through Friday and 8 a.m. to 4 p.m. Saturday and Sunday unless at least one half-hour notice is given. At all other times at least four hours notice must be given. This rule allows the bridge owner to reduce the shifts for staffing the drawbridges by reducing the period, Monday through Friday, where one-half hour notice is required for an opening. Additionally, the four-hour notice at most other times is also reduced to two hours. Weekend periods with half-hour notice required remain unchanged.

##### Discussion of Comments and Changes

The Coast Guard received no responses to the Notice of Proposed Rulemaking and no changes are made in this final rule from that notice.

##### Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. The single commercial boat yard, which is the destination for most vessels that pass through the bridges, has indicated that they can tolerate the changes.

##### Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. We expect few vessel operators will be inconvenienced by the new operating schedule as it is quite similar to operating regulations that have been in effect without complaint for several years.

##### Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agricultural Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

##### Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

##### Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

##### Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

##### Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.
