

552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows: The DoD Blanket Routine Uses set forth at the beginning of OSD's compilation of systems of records notices do not apply to this system except:

To any component of the Department of Justice for the purpose of representing the Department of Defense, or any officer, employee or member of the Department, in pending or potential litigation to which the record is pertinent.

To the General Services Administration and the National Archives and Records Administration for the purpose of records management inspections conducted under authority of 44 U.S.C. 2904 and 2906.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Records are maintained on electronic storage media.

RETRIEVABILITY:

Records may be retrieved by an individual's full name, address, and date of birth.

SAFEGUARDS:

Access to information in the database is highly restricted and limited to those that require the records in the performance of their official duties. The database utilizes a layered approach of overlapping controls, monitoring and authentication to ensure overall security of the data, network and system resources. Sophisticated physical security, perimeter security (firewall, intrusion prevention), access control, authentication, encryption, data transfer, and monitoring solutions prevent unauthorized access from internal and external sources.

RETENTION AND DISPOSAL:

Destroy three years from the date the information pertaining to the individual is first distributed to the Services or, where data are subsequently collected from a different data source, from the date that subsequent data are subsequently distributed to the Services. Records for individuals who have responded to various paid/nonpaid advertising campaigns seeking enlistment are kept, for analytical purposes, until they are no longer needed. Records for individuals who wish to be removed from future recruitment lists (opted-out) are retained for ten years.

SYSTEM MANAGER(S) AND ADDRESS:

Program Manager, Joint Advertising, Market Research & Studies (JAMRS), 4040 N. Fairfax Drive, Suite #200, Arlington, VA 22203-1613.

NOTIFICATION PROCEDURE:

Individuals seeking to determine whether information about them is contained in this system should address written inquiries to the Joint Advertising, Market Research & Studies (JAMRS), Direct Marketing Program Officer, 4040 N. Fairfax Drive, Suite #200, Arlington, Virginia 22203-1613. Requests should contain the full name, date of birth, and current address of the individual.

RECORD ACCESS PROCEDURES:

Individuals seeking access to records about themselves contained in this system of records should address written inquiries to the Joint Advertising, Market Research & Studies (JAMRS), Direct Marketing Program Officer, 4040 N. Fairfax Drive, Suite #200, Arlington, Virginia 22203-1613.

Requests should contain the full name, date of birth, and current address of the individual.

Note 1: Individuals, who are 15½ years old or older, or parents or legal guardians acting on behalf of individuals who are between the ages of 15½ and 18 years old, seeking to have their name or the name of their child or ward, as well as other identifying data, removed from this system of records (or removed in the future when such information is obtained) should address written Opt-Out requests to the Joint Advertising, Marketing Research & Studies (JAMRS), ATTN: Opt-Out, 4040 N. Fairfax Drive, Suite #200, Arlington, Virginia 22203-1613. Such requests must contain the full name, date of birth, and current address of the individual.

Note 2: Opt-Out requests will be honored for ten years. However, because opt-out screening is based, in part, on the current address of the individual, any change in address will require the submission of a new opt-out request with the new address.

CONTESTING RECORD PROCEDURES:

The OSD rules for accessing records, for contesting contents and appealing initial agency determinations are contained in OSD Administrative Instruction 81; 32 CFR part 311; or may be obtained from the system manager.

RECORD SOURCE CATEGORIES:

Individuals; state Department of Motor Vehicle offices; commercial information brokers/vendors; Selective Service System; Defense Manpower Data Center (DMDC); United States Military Entrance Processing Command for individuals who have taken the ASVAB test; and the Military services

and Congressional offices for individuals who have asked to be removed from any future recruitment lists.
