

options, and rights, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, at the time of issuance shall not exceed 25% of the outstanding voting securities of Triangle, except that if the amount of voting securities that would result from the exercise of all of Triangle's outstanding warrants, options, and rights issued to Triangle's directors, officers, and employees, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, would exceed 15% of the outstanding voting securities of Triangle, then the total amount of voting securities that would result from the exercise of all outstanding warrants, options, and rights, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, at the time of issuance shall not exceed 20% of the outstanding voting securities of Triangle.

4. The maximum amount of Restricted Stock that may be issued under the Amended and Restated Plan will be 10% of the outstanding shares of common stock of Triangle on the effective date of the Amended and Restated Plan plus 10% of the number of shares of Triangle's common stock issued or delivered by Triangle (other than pursuant to compensation plans) during the term of the Amended and Restated Plan.

5. The Board will review periodically the potential impact that the issuance of Restricted Stock under the Amended and Restated Plan could have on Triangle's earnings and NAV per share, such review to take place prior to any decisions to grant Restricted Stock under the Amended and Restated Plan, but in no event less frequently than annually. Adequate procedures and records will be maintained to permit such review. The Board will be authorized to take appropriate steps to ensure that the grant of Restricted Stock under the Amended and Restated Plan would not have an effect contrary to the interests of Triangle's shareholders. This authority will include the authority to prevent or limit the granting of additional Restricted Stock under the Amended and Restated Plan. All records maintained pursuant to this condition will be subject to examination by the Commission and its staff.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Florence E. Harmon,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of: TelcoBlue, Inc.; Order of Suspension of Trading

February 22, 2008.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of TelcoBlue, Inc. ("TelcoBlue") because TelcoBlue has failed to file its last six required periodic reports.

The Commission is of the opinion that the public interest and the protection of

investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. EST on February 22, 2008 through 11:59 p.m. EST on March 6, 2008.

By the Commission.

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57356; File No. SR-Amex-2007-115]

Self-Regulatory Organizations; American Stock Exchange, LLC; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment Nos. 1 and 2 Thereto, To List and Trade Shares of the SPDR® Barclays Capital Global Inflation Linked Exchange-Traded Fund

February 20, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 29, 2007, the American Stock Exchange, LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. On January 4, 2008, the Exchange filed Amendment No. 1 to the proposed rule change. On January 30, 2008, the Exchange filed Amendment No. 2 to the proposed rule change. This order provides notice of the proposed rule change, as amended, and approves the proposed rule change, as modified by Amendment Nos. 1 and 2 thereto, on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade shares ("Shares") of the SPDR® Barclays Capital Global Inflation Linked Exchange-Traded Fund ("Fund").³ The

text of the proposed rule change is available at the Exchange's principal office, the Commission's Public Reference Room, and <http://www.amex.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade Shares of the Fund pursuant to Amex Rule 1000A-AEMI and Amex Rules 1001A through 1005A, which provide listing standards for Index Fund Shares.⁴ The Shares represent an interest in the investment portfolio of the Fund and are registered under the Act. The Fund's investment objective is to provide investment results that, before fees and expenses, correspond generally to the price and yield performance of the World Government TIPS Index, an index that tracks the inflation-protected sector of the global bond market. The Fund employs an indexing approach seeking to substantially replicate, before fees and expenses, the price and yield performance of the Barclays World Government Inflation-Linked Bond Index ("Index").⁵ The Index measures the performance of the major government inflation-linked bond markets and is constructed from a selection of country/currency indices based on rating and size. The Index is

designed to include only those markets in which a global government linker⁶ fund is likely to invest and includes the following ten countries: United Kingdom, Australia, Canada, Sweden, United States, France, Italy, Japan, Germany, and Greece.

The Exchange represents that the Fund does not satisfy the generic listing standards in Commentary .03(a)(5) to Amex Rule 1000A-AEMI, which requires that the underlying index or portfolio (excluding one consisting entirely of exempted securities) must include a minimum of 13 non-affiliated issuers.⁷ Currently, the Index only includes ten non-affiliated issuers. Except for Commentary .03(a)(5) to Amex Rule 1000A-AEMI, Amex states that the Shares currently satisfy all applicable generic listing standards for Index Fund Shares based on Fixed Income Securities.⁸ The Exchange further represents that the continued listing standards for Index Fund Shares under Amex Rule 1002A(b) are applicable to the Shares.⁹ The issuer of the Shares, the Trust, is required to comply with Rule 10A-3 under the Act¹⁰ for the initial and continued listing of the Shares.

The Exchange states that detailed descriptions of the Fund, the Index (including the methodology used to determine the composition of the Index), investment objective, management, and structure of the Fund, procedures and payment requirements for creating and redeeming Shares, transaction fees and expenses, dividends, distributions, taxes, reports

⁶ A linker is an inflation-linked bond.

⁷ The generic listing requirements under Commentary .03 to Amex Rule 1000A-AEMI permit the listing and trading of Index Fund Shares pursuant to Rule 19b-4(e) under the Act (17 CFR 240.19b-4(e)). Rule 19b-4(e) provides that the listing and trading of a new derivative securities product by a self-regulatory organization ("SRO") shall not be deemed a proposed rule change, pursuant to Rule 19b-4(c)(1), if the Commission has approved, pursuant to Section 19(b) of the Act, the SRO's trading rules, procedures, and listing standards for the product class that would include the new derivatives securities product, and the SRO has a surveillance program for the product class.

⁸ Fixed Income Securities are debt securities that are notes, bonds, debentures, or evidence of indebtedness that include, but are not limited to, U.S. Department of Treasury securities, government-sponsored entity securities, municipal securities, trust preferred securities, supranational debt, and debt of a foreign country or a subdivision thereof. See Commentary .03 to Amex Rule 1000A-AEMI.

⁹ Pursuant to Amex Rule 1002A(a)(i), the Exchange has established a minimum of 200,000 Shares to be outstanding at the start of trading. The Exchange believes that the proposed minimum number of Shares outstanding at the start of trading is sufficient to provide market liquidity and is comparable to requirements that have been applied to previously listed series of Index Fund Shares.

¹⁰ 17 CFR 240.10A-3.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The Fund is a series of the SPDR® Series Trust (formerly streetTRACKS Series Trust, the "Trust"), an investment company registered under the Investment Company Act of 1940 ("1940 Act").

⁴ An Index Fund Share is a security that is issued by an open-end management investment company based on a portfolio of stocks or fixed-income securities or a combination thereof that seeks to provide investment results that correspond generally to the price and yield performance or total return performance of a specified foreign or domestic stock index, fixed-income securities index, or combination thereof. See Amex Rule 1000A-AEMI(b)(1).

⁵ Barclays Capital, which created and manages the Index, is the investment banking division of Barclays Bank PLC, which is regulated by the Financial Services Authority of the United Kingdom.
