On November 28, 2007, the Department of Commerce (the Department) initiated the countervailing duty investigation of sodium nitrite from the People's Republic of China (PRC). *See Sodium Nitrite from the People's Republic of China: Initiation of Countervailing Duty Investigation*, 72 FR 68568 (December 5, 2007). Currently the preliminary determination is due no later than February 1, 2008.

Postponement of Due Date for Preliminary Determination

On January 4, 2008, petitioner submitted a letter requesting that the Department postpone the preliminary determination of the countervailing duty investigation of sodium nitrite from the PRC. Hand Trucks and Certain Parts Thereof from the People's Republic of China; Preliminary Results, Partial Intent to Rescind and Partial Rescission of the 2005-06 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on hand trucks and certain parts thereof ("hand trucks") from the People's Republic of China ("PRC") covering the period December 1, 2005, through November 30, 2006. We have preliminarily determined that sales have been made below normal value ("NV") by one exporter participating in the review. We have also preliminarily rescinded the review for five exporters that did not have any exports during the period of review ("POR") or whose request for review was timely withdrawn. We have also preliminarily determined that two companies have not demonstrated that they are entitled to separate rates and have assigned them the rate for the PRC-wide entity. If these preliminary results are adopted in the final results of these reviews, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries.

Interested parties are invited to comment on these preliminary results. We will issue the final results no later than 120 days from the date of publication of this notice.

EFFECTIVE DATE: (January 14, 2008).

FOR FURTHER INFORMATION CONTACT: Paul Stolz, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4474.

Background

On December 1, 2006, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on hand trucks from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 71 FR 69543 (December 1, 2006). In accordance with 19 CFR 351.213(b)(1), on December 29, 2006, Petitioners, Gleason Industrial Products, Inc. and Precision Products, Inc., requested that the Department conduct an administrative review for the following exporters of the subject merchandise: Qingdao Huatian Hand Truck Co., Ltd. ("Huatian"); Qingdao Future Tool, Inc. ("Future Tool"); Qingdao Taifa Group Co. Ltd. ("Taifa"); True Potential Co., Ltd. ("True Potential"); Shandong Machinery I&E Group Corp. ("Shandong Machinery"); Since Hardware (Guangzhou) Co., Ltd. ("Since Hardware"); Formost Plastics & Metalworks (Jiaxing) Co., Ltd. ("Formost"); and Forecarry Corp. ("Forecarry"). Also, on December 29, 2006, the Department received a request to conduct an administrative review from Taifa, an exporter of the subject merchandise.

On January 3, 2007, the Department received a request to conduct an administrative review from Since Hardware, an exporter of subject merchandise from the PRC. On February 2, 2007, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of hand trucks from the PRC for the period December 1, 2005, through November 30, 2006, with respect to eight companies. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 5005 (February 2, 2007).

On March 1, 2007, the Department issued quantity and value ("Q&V") questionnaires along with separate rate applications and certifications to Forecarry, Formost, Future Tool, Huatian, Shandong Machinery, Since Hardware, True Potential, and Taifa requesting each party's quantity (*i.e.*, pieces) and U.S. dollar sales value of all exports of hand trucks and parts thereof to the United States during the POR. *See Quantity and Value Questionnaire ("Q&V Questionnaire")* dated March 1, 2007. In our Q&V questionnaire, we notified all interested parties that we were considering limiting the number of respondents selected for review in accordance with section 777A(c)(2) of the Tariff Act of 1930, as amended

("Act"), due to the number of firms requested for this administrative review and the resulting administrative burden to review each company for which a request had been made. On March 15, 2007, we received responses to the Q&V questionnaire from Huatian, Since Hardware (stating it had no shipments during the POR), Taifa and True Potential. On May 1 and 25, 2007, we issued letters to Formost, Forecarry, Future Tool, and Shandong Machinery providing each a second opportunity to respond to the Department's request for Q&V information. *See Second Quantity and Value Questionnaire* dated May 1, 2007 ("Second Q&V Questionnaire"). On June 4, 2007, Formost and Forecarry responded to the Department's request for Q&V information stating that they had no exports to the United States during the POR. Future Tool and Shandong Machinery did not respond to the Department's letters. *See the "Facts Available" section of this notice, below, for further discussion.*

On March 15, 2007, Since Hardware withdrew its request for an administrative review within the time limits specified under 19 CFR 351.213(d)(1). *See the "Partial Rescission of Administrative Review" section of this notice, below, for further discussion.* On May 3, 2007, Petitioners withdrew their request for an administrative review within the time limits specified under 19 CFR 351.213(d)(1) with respect to Huatian, Taifa, and True Potential.

On June 21, 2007, the Department determined that it was not practicable to examine individually all of the companies covered by the 2005-2006 administrative review, and thus it limited its examination to the largest producers/exporters that could reasonably be reviewed, pursuant to section 777A(c)(2)(B) of the Act. Therefore, on this date the Department selected Taifa as the sole respondent required to submit a full questionnaire response in the administrative review (*i.e.*, mandatory respondent). *See the memorandum titled "Antidumping Duty Administrative Review of Hand Trucks and Certain Parts Thereof from the People's Republic of China: Selection of Respondents" dated June 21, 2007.*

On June 22, 2007, we issued the antidumping duty questionnaire to Taifa. We received separate-rate certifications from Taifa and True Potential. On July 13, 2007, we received Taifa's responses to section A of the Department's original questionnaire. On August 14, 2007, we received Taifa's response to sections C and D of the Department's original questionnaire. On
