

2. *Title and purpose of information collection:* Employer's Deemed Service Month Questionnaire; OMB 3220-0156.

Section 3 (i) of the Railroad Retirement Act (RRA), as amended by Public Law 98-76, provides that the Railroad Retirement Board (RRB), under certain circumstances, may deem additional months of service in cases where an employee does not actually work in every month of the year, provided the employee satisfies certain eligibility requirements, including the existence of an employment relation between the employee and his or her employer. The procedures pertaining to the deeming of additional months of service are found in the RRB's regulations at 20 CFR Part 210, Creditable Railroad Service.

The RRB utilizes Form GL-99, Employers Deemed Service Months Questionnaire, to obtain service and compensation information from railroad employers needed to determine if an employee can be credited with additional deemed months of railroad service.

The RRB proposes non-burden impacting, editorial and formatting changes to Form GL-99. Completion is mandatory. One response is required for each RRB inquiry. The completion time for Form GL-99 is estimated at 2 minutes per response. The RRB estimates that approximately 4,000 responses are received annually.

3. *Title and purpose of information collection:* Statement of Claimant or Other Person; OMB 3220-0083.

To support an application for an annuity under Section 2 of the Railroad Retirement Act (RRA) or for unemployment benefits under Section 2 of the Railroad Unemployment Insurance Act (RUIA), pertinent information and proofs must be furnished for the RRB to determine benefit entitlement. Circumstances may require an applicant or other person(s) having knowledge of facts relevant to the applicant's eligibility for an annuity or benefits to provide written statements supplementing or changing statements previously provided by the applicant. Under the railroad retirement program these statements may relate to changes in annuity beginning date(s), dates for marriage(s), birth(s), prior railroad or non-railroad employment, an applicants request for reconsideration of an unfavorable RRB eligibility determination for an annuity or various other matters. The statements may also be used by the RRB to secure a variety of information needed to determine eligibility to unemployment and sickness benefits. Procedures related to providing information needed for RRA

annuity or RUIA benefit eligibility determinations are prescribed in 20 CFR parts 217 and 320 respectively.

The RRB utilizes Form G-93, Statement of Claimant or Other Person, to obtain the supplemental or corrective information from applicants or other persons needed to determine applicant eligibility for an RRA annuity or RUIA benefits. The RRB proposes no changes to Form G-93. Completion is voluntary. One response is requested of each respondent. The completion time for Form G-93 is estimated at 15 minutes per response. The RRB estimates that approximately 900 responses are received annually.
