DEPARTMENT OF THE INTERIOR**National Park Service****Notice of Termination of Preparation of an Environmental Impact Statement for the Harriet Tubman Special Resource Study****AGENCY:** National Park Service, Department of the Interior.**ACTION:** Termination of preparation of an Environmental Impact Statement.

SUMMARY: This notice announces the termination of the process to develop an Environmental Impact Statement (EIS) for the Harriet Tubman Special Resource Study (SRS). The SRS was undertaken at the direction of Congress in Public Law 106-516 to evaluate sites related to Harriet Tubman for potential inclusion in the national park system. The study area includes parts of Maryland and New York. A Notice of Intent to Prepare an EIS was published in the **Federal Register** on February 7, 2003.

Initial formal public scoping took place through spring 2004, followed by continuous informal consultation with stakeholders, agency officials, and the interested public. From June through September 2008, NPS held stakeholder and public meetings and took comments on the preliminary alternatives.

Scoping revealed no issues or controversy, nor the potential for significant environmental impacts. Therefore, it was determined that an Environmental Assessment (EA) would suffice to address National Environmental Policy Act requirements for this study.

The Harriet Tubman Special Resource Study and Environmental Assessment was made available for public review starting 11/19/2008 with the comment period ending 12/19/2008. The study report can be viewed at the NPS Planning, Environment and Public Comment (PEPC) Web site at: <http://parkplanning.nps.gov/> or through the study Web site, <http://www.HarrietTubmanStudy.org>.

Background: Section 404 of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (DR-CAFTA Act) requires the Secretary of Commerce to establish an Earned Import Allowance Program (EIAP) and directs the Commission to conduct annual reviews of the program for the purpose of evaluating its effectiveness and making recommendations for improvements. Section 404 of the DR-CAFTA Act was added by section 2 of Public Law 110-436, "An Act to extend the Andean Trade Preference Act, and for other purposes." It authorizes certain apparel articles wholly assembled in an eligible country to enter the United States free of duty if accompanied by a certificate that shows evidence of the purchase of certain U.S. fabric. The term "eligible country" is defined to mean the Dominican Republic. More specifically, the program allows producers (in the Dominican Republic) that purchase a certain quantity of qualifying U.S. fabric for use in the production of certain bottoms of cotton in the Dominican Republic to receive a credit that can be used to ship a certain quantity of eligible apparel using third country fabrics from the Dominican Republic to the United States duty free. Section 404(d) directs the Commission to conduct an annual review of the program for the purpose of evaluating the effectiveness of the program and making recommendations for improvements. The Commission is required to submit its reports to the

House Committee on Ways and Means and the Senate Committee on Finance. The statute provides that the program will be in effect for the 10-year period beginning on the date on which the President certifies to the committees that sections A, B, C, and D of the Annex to Presidential Proclamation 8213 (December 20, 2007) have taken effect. The Commission expects to submit its first report to the committees by July 28, 2010.

The Commission has also instituted this investigation pursuant to section 332(g) of the Tariff Act of 1930 to facilitate docketing of submissions and also to facilitate public access to Commission records through the Commission's EDIS electronic records system.

Public Hearing: A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street, SW., Washington, DC beginning at 9:30 a.m. on November 18, 2009.
