II. Section (a)(2)(B) both of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

Logistics Services Incorporated, Dayton, OH; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, as amended, an investigation was initiated on January 14, 2009 in response to a worker petition filed by a Union official on behalf of workers of Logistics Services Incorporated, Dayton, Ohio.

The petitioning group of workers is covered by an earlier petition (TA-W-64,835) filed on December 26, 2008 that is the subject of an ongoing investigation for which a determination has not yet been issued. Further investigation in this case would duplicate efforts and serve no purpose; therefore the investigation under this petition has been terminated.
