

more inclusive and provide more opportunities for member organizations to be compensated for losses sustained in relation to an Exchange system failure thus protecting investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁴ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁵ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow member organizations to immediately seek compensation for losses of less than

\$500 sustained in relation to an Exchange system failure. For this reason, the Commission designates that the proposed rule change become immediately operative.¹⁶

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Through this filing, the Exchange proposes to amend NYSE Amex Equities Rule 18 ("Compensation in Relation to Exchange System Failure") to eliminate the \$500 minimum net loss requirement for a member organization to seek compensation in the event of an Exchange System failure. Member organizations would therefore be permitted to submit a claim for compensations without having to meet a minimum net loss threshold as long as such claims meet the other criteria of NYSE Amex Equities Rule 18.⁴

NYSE Amex Equities Rule 18 was established to provide a mechanism for member organizations to receive compensation for losses sustained in relation to an Exchange system failure. It provides that member organizations that sustain a loss in relation to an Exchange system failure are eligible to submit a claim, per incident, for compensation to the Exchange if certain requirements are met. Specifically, pursuant to NYSE Amex Equities Rule 18(a), claim is eligible for compensation if the Exchange determines that: (i) A valid order was accepted by the Exchange's systems; (ii) an Exchange system failure, as defined in NYSE Amex Equities Rule 18(b), occurred during the execution of said order; (iii) a member organization sustained a loss

related to an Exchange system failure; (iv) the net loss was at least \$500; and (v) the Exchange or its designee received from the member organizations that sustained such loss, verbal⁵ notice by the market opening on the next business day following the system failure and written notice by the end of the third business day following the system failure.

The provision that the member organization sustain a minimum net total loss of \$500 requires the member organization to deduct any profits received in relation to the same incident before submitting the claim amount.⁶ Member organizations are not permitted to aggregate losses incurred as a result of more than one system failure in order to satisfy the \$500 minimum claim requirement. As a result, certain member organizations have been precluded from submitting claims for losses sustained in relation to an Exchange system failure.

The Exchange seeks to have the rule be even more inclusive of its member organizations that may sustain a loss in the event of an Exchange system failure. Based on its experience, the Exchange has concluded that it is no longer necessary to prescribe a minimum net loss in order for its member organizations to be eligible to submit claims. Accordingly, the Exchange seeks to eliminate the minimum net loss provision of NYSE Amex Equities Rule 18. The Exchange believes that this will allow more member organizations opportunities to seek compensation for losses sustained in relation to an Exchange system failure.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in

general, to protect investors and the public interest. The Exchange believes the proposed rule change is in keeping with these principles in that it serves to eliminate the minimum net loss threshold requirement in relation to an Exchange system failure in order to be more inclusive and provide more opportunities for member organizations to be compensated for losses sustained in relation to an Exchange system failure thus protecting investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may

become operative immediately upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow member organizations to immediately seek compensation for losses of less than \$500 sustained in relation to an Exchange system failure. For this reason, the Commission designates that the proposed rule change become immediately operative.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of Proposed Rule Change To Adopt FINRA Rule 3240 (Borrowing From or Lending to Customers) in the Consolidated FINRA Rulebook

January 6, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 31, 2009, Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")) filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to adopt NASD Rule 2370 (Borrowing From or Lending to Customers) as FINRA Rule 3240 (Borrowing From or Lending to Customers) in the Consolidated FINRA Rulebook³ with certain changes and to delete Incorporated NYSE Rules 352(e) (Limitations on Borrowing From or Lending to Customers), (f) (Loan Procedures) and (g). The proposed rule change also would add a Supplementary Material section regarding record retention requirements to proposed FINRA Rule 3240.

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of the process of developing a new consolidated rulebook ("Consolidated FINRA Rulebook"),⁴ FINRA is proposing to adopt NASD Rule 2370 as FINRA Rule 3240 in the Consolidated FINRA Rulebook with certain changes as described below. The proposed rule change also would delete Incorporated NYSE Rules 352(e)

³ See *supra* note 4 and accompanying text.

⁴ The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms.
