Health Resources and Services Administration

Privacy Act of 1974; Report of an Altered System of Records

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice of an Altered System of Records (SOR).

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, the Health Resources and Services Administration (HRSA) is publishing notice of a proposal to alter the system of records for the Health Education Assistance On-Line Processing System (HOPS), 09-15-0044.

The purposes of these alterations are to update the location of this system and the system manager, to modify routine use number 6, correct typographical errors, and to add routine use number 17 related to notification of breaches in security or confidentiality of records maintained in the system. In addition, the section for Policies and Practices for Storing, Retrieving, Accessing, Retaining and Disposing of Records in the System was updated. The "Authority for Maintenance of System" provision has been modified to reference Section 702 of the Public Health Service Act [42 U.S.C. Section 292a], as amended, and to add the Debt Collection Improvement Act (31 U.S.C. Sections 3701 and 3711-3720E). Lastly, the "Disclosure to Consumer Reporting Agencies" provision was modified to reference the definition of a "consumer reporting

agency” as stated in the Fair Credit Reporting Act (15 U.S.C.1681a(f)) and the Debt Collection Improvement Act (31 U.S.C. 3701(a)(3)).

DATES: HRSA filed an altered system report with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Homeland Security and Governmental Affairs, and the Administrator, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on 01/15/2010. To ensure all parties have adequate time in which to comment, the altered systems, including the routine uses, will become effective 30 days from the publication of the notice or 40 days from the date it was submitted to OMB and Congress, whichever is later, unless HRSA receives comments that require alterations to this notice.

ADDRESSES: The public should address comments to the Health Resources and Services Administration, 5600 Fishers Lane, Room 9-105, Rockville, Maryland 20857; telephone (301) 443-1173. This is not a toll-free number. Comments received will be available for review and inspection, by appointment, at this same address from 9 a.m. to 3 p.m. eastern time zone, Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Judy Rodgers, Chief, Health Education Assistance Loan Program, Division of Student Loans and Scholarships, 5600 Fishers Lane, Room 9-105, Rockville, Maryland 20857; telephone (301) 443-1173. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: HRSA maintains system of records 09-15-0044, “Health Education Assistance On-Line Processing System (HOPS)” to: (1) Identify students participating in the HEAL Program; (2) monitor the loan status of HEAL recipients, which includes the collection of overdue debts owed under the HEAL Program; and (3) compile and generate managerial and statistical reports.

HRSA is proposing a change to the name and room number of the HRSA division responsible for the operation of the HEAL Program from the Division of Health Careers Diversity and Development in room 8-37 to the Division of Student Loans and Scholarships in room 9-105, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. HRSA is correcting typographical errors in the system of records as well. HRSA is also modifying routine use number 6 to remove a reference to the Government Accountability Office, which is redundant with a permitted disclosure found in the Privacy Act at 5 U.S.C. 552a(b)(10). Furthermore, HRSA is

adding a new routine use (number 17) to permit disclosures to appropriate Federal agencies and Department contractors that have a need to know the information for the purpose of assisting the Department’s efforts to respond to a suspected or confirmed breach of the security or confidentiality of information maintained in this system of records, and the information disclosed is relevant and necessary for that assistance. This routine use is compatible with the purpose for which the records were collected. In addition, the “Policies and Practices for Storing, Retrieving, Accessing, Retaining and Disposing of Records in the System” provision was updated to reflect enhanced data storage, to allow external users read-only access only. HRSA is upgrading the System Manager to Chief, Health Education Assistance Loan Program.

Section “Authority for Maintenance of System” is being updated.

Dated: November 17, 2009.

Mary K. Wakefield,
Administrator.

4. In the event that a system of records maintained by this agency to carry out its functions indicates a violation or potential violation of law, whether civil, criminal, or regulatory in nature, and whether arising by general statute or particular program statute, or by regulation, rule or order issued pursuant thereto, the relevant records in the system of records may be referred to the appropriate agency, whether Federal, State or local, charged with enforcing or implementing the statute or any rule, regulation or order issued pursuant thereto.

This disclosure is for the sole purpose of determining the applicant's creditworthiness and is limited to the individual's name, address, Social Security number, other information necessary to identify him/her, and the program for which the information is being obtained.

9. HRSA will report to the IRS, Treasury Department, as taxable income, the written-off amount of a debt owed by an individual to the Federal Government when a debt becomes partly or wholly uncollectible—either because the time period for collection under the statute of limitations has expired, or because the Government agrees with the individual to forgive or compromise the debt.
