

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice of enforcement, call or email Mr. Scott Whalen, U.S. Coast Guard Marine Safety Unit Port Arthur, TX; telephone 409-719-5086, email scott.k.whelen@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce Special Local Regulations for the annual Neches River Festival in 33 CFR 100.801 (Table 1, paragraph 118) on May 4, 2012, from 3 p.m. to 6 p.m. and on May 5 and May 6, 2012 from 9 a.m. to 10 p.m.

Under the provisions of 33 CFR 100.801 (Table 1, paragraph 118), a vessel may not enter the regulated area, unless it receives permission from the Captain of the Port. Spectator vessels may safely transit outside the regulated area but may not anchor, block, loiter, or impede participants or official patrol vessels. The Coast Guard may be assisted by other federal, state or local law enforcement agencies in enforcing this regulation.

This notice of enforcement is issued under the authority of 33 CFR 100.801 (Table 1, paragraph 118). In addition to this notification in the **Federal Register**, the Coast Guard will provide the maritime community with notification of this enforcement period via Local Notice to Mariners, Marine Information Broadcasts, and Marine Safety Information Bulletins.

If the Captain of the Port or his designated representative determines that the regulated area need not be enforced for the full duration stated in this notice of enforcement, he or she may use a Broadcast Notice to Mariners to grant general permission to enter the regulated area.

Dated: February 21, 2012.

G.J. Paitl,

Captain, U.S. Coast Guard, Captain of the Port, Port Arthur.

BILLING CODE 9110-04-P

POSTAL SERVICE

39 CFR Part 111

Mobile Commerce and Personalization Promotion

AGENCY: Postal Service™.

ACTION: Final rule.

SUMMARY: The Postal Service will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 709.3 to add a new temporary promotion in the summer of 2012 for Presorted and automation First-

Class Mail® cards, letters and flats, and Standard Mail® letters and flats bearing two-dimensional mobile barcodes or equivalent print technology.

DATES: *Effective Date:* July 1, 2012.

FOR FURTHER INFORMATION CONTACT:

Krista Becker at 202-268-7345, Bill Chatfield at 202-268-7278, or mobilebarcode@usps.gov.

SUPPLEMENTARY INFORMATION: On February 21, 2012, the Postal Service filed a notice (R2012-6) with the Postal Regulatory Commission to temporarily reduce the prices for certain types of First-Class Mail and Standard Mail letters items that contain, in or on the mailpiece, a transactional two-dimensional barcode or similar print technology such as watermarks or tags (collectively “Mobile Barcode” or “Mobile Barcodes”) readable by consumer mobile devices. In recognition of the success of the mobile barcode promotion in the summer of 2011, the Postal Service offers a revised promotion from July 1, 2012, through August 31, 2012.

In this final rule, the Postal Service provides a description of the conditions for eligibility for the price reduction for the mobile commerce and personalization promotion, and the revised mailing standards to implement the promotion.

To be eligible, each Presorted and automation mailpiece in the mailing that is listed on the postage statement for that mailing must have a Mobile Barcode on the outside of each piece or on the contents within each piece. When scanned, the Mobile Barcode must lead the recipient of the mailpiece to either: a Web page that allows the recipient to purchase a product or service, or a personalized URL that leads to a Web page whose Web address and content are unique to the mailpiece recipient. In both cases, the Web site must remain mobile-optimized. Mobile Barcodes that direct consumers to Web pages that allow payment for prior or future purchases, or encourage enrollment in online bill payment or paperless statement services are not eligible for the discount. Mailpieces with Mobile Barcodes that convey postage information, destination, sender, or a machinable serial number for security also are not eligible for the discount.

The promotion provides an upfront price reduction of 2 percent of the eligible postage for qualifying mailpieces containing Mobile Barcodes as described above. Qualifying mailings are Presorted and automation mailings of First-Class Mail cards, letters, and flats, and Standard Mail (including

Nonprofit) letters and flats.

Commingled, co-mailed and combined mailings are allowed, but a separate postage statement is required for mailpieces with Mobile Barcodes.

Eligible mailings must be accompanied by electronic documentation. Mailings that are prepared by an entity other than the mail owner must indicate the identity of the owner in the electronic documentation. The electronic documentation must identify the mail owner and mail preparer in the “By/For” fields for all mailings, either by Customer Registration ID (CRID), Mailer ID (MID) or other account type that is assigned by USPS®. Mailings of automation letters or flats must have Intelligent Mail® barcodes. Mailpieces with POSTNET™ barcodes will not be eligible for the price reduction.

The price reduction will be taken off the postage amount due at the time of mailing, and there will be no refunds or postage credit provided under this promotion. The promotion discount does not apply to single-piece First-Class Mail pieces including residual single-piece First-Class Mail pieces on a postage statement for Presorted and automation mailings.

Postage Payment Methods

Postage payment methods will be restricted to permit imprint, metered postage, or precancelled stamps. Pieces with metered postage must bear an exact amount of postage as stipulated by the class and shape of mail. Affixed postage values for metered mailings will be as follows:

First-Class Mail postcards	\$0.20
First-Class Mail automation and (PRSTD) machinable letters	0.25
First-Class Mail nonmachinable letters	0.45
First-Class Mail automation and Presorted flats	0.35
STD Mail Regular letters	0.12
STD Mail Regular flats	0.13
STD Nonprofit letters	0.05
STD Nonprofit flats	0.06

Mailings with postage paid by metered or precancelled stamp postage will have the percentage discount deducted from the additional postage due, except for Value Added Refund mailings, which may include the amount of the discount with the amount to be refunded.

The mobile barcode promotion discount cannot be combined with other incentives, with the exception of the full-service Intelligent Mail barcode discount.

Promotion Dates and More Information

To participate in the promotion, customers must register on the Business

Customer Gateway at www.gateway.usps.com and specify which permits and CRIDs will participate in the promotion. Registration opens May 1, 2012, and must be completed at least 24 hours prior to the first mailing date. The Postal Service will implement the promotion and temporary price reduction for mailings made on July 1, 2012, through August 31, 2012. Plant-verified drop shipment (PVDS) mailings accepted no later than August 31, 2012, may be entered at destinations through September 15, 2012. Program requirements, including updated FAQs, are available on the RIBBS Web site at <https://ribbs.usps.gov/index.cfm?page=mobilebarcode> or by email to mobilebarcode@usps.gov.

The Postal Service adopts the following changes to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), which is incorporated by reference in the *Code of Federal Regulations*. See 39 CFR 111.1.

List of Subjects in 39 CFR Part 111

Administrative practice and procedure, Postal Service.

Accordingly, 39 CFR part 111 is amended as follows:

PART 111—[AMENDED]

■ 1. The authority citation for 39 CFR part 111 continues to read as follows:

Authority: 5 U.S.C. 552(a); 13 U.S.C. 301–307; 18 U.S.C. 1692–1737; 39 U.S.C. 101, 401, 403, 404, 414, 416, 3001–3011, 3201–3219, 3403–3406, 3621, 3622, 3626, 3632, 3633, and 5001.

■ 2. Revise the following sections of the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM):

Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM):

* * * * *

700 Special Standards

* * * * *

709 Experimental and Temporary Classifications

* * * * *

[Revise the title of 3.0 as follows:]

3.0 Mobile Commerce and Personalization Promotion

3.1 Program Description and Scope

[Revise 3.1 by incorporating the text of current items a and b into the body of 3.1 and revising the text as follows:]

The mobile commerce and personalization promotion provides a

two percent discount for pieces mailed at Presorted and automation prices in mailings of First-Class Mail cards, letters, and flats, and Standard Mail (including Nonprofit) letters and flats that include a transactional two-dimensional mobile barcode when the mailpieces meet all the conditions in these standards. Images such as watermarks and tags that, when scanned, direct consumers to mobile-optimized sites under conditions in 3.0 are also eligible. Automation pieces must bear Intelligent Mail barcodes; pieces with POSTNET barcodes are not eligible for this promotion. The promotion is valid for mailings entered from July 1, 2012 through August 31, 2012. Plant-verified drop shipment (PVDS) mailings meeting all relevant standards may be accepted at origin as late as August 31, 2012 if they are entered no later than September 15, 2012 at the destination.

3.2 Eligibility Standards

[Revise 3.2 as follows:]

To be eligible for the two percent discount, customers must register on Business Customer Gateway at gateway.usps.com, and specify which permits and CRIDs will participate in the promotion. Registration opens May 1, 2012, and must be completed at least 24 hours prior to the first mailing date. Mailpieces must be mailed under the following conditions:

a. A two-dimensional mobile barcode or similar image must be on each mailpiece, either on the outside or printed on the contents of the piece. Brief instructions or directional copy must be printed near the barcode to instruct the recipient to scan the barcode. One-dimensional barcodes do not qualify.

b. The mobile barcode must be readable by a mobile device and must lead to a mobile-optimized Web site. The barcode must be relevant to the contents of the mailpiece. Scanning the barcode must lead the consumer to a Web page that allows the recipient a good or service on the mobile device, or to a personalized URL that leads to a Web page unique to an individual recipient. In either situation, the Web site must remain mobile-optimized. Barcodes with links that direct consumers to sites that allow payment for prior or future purchases or that encourage enrollment in online bill payment or paperless statement services are not eligible for the discount. Mailpieces with mobile barcodes that convey postage information, destination, sender, or a machinable serial number for security also are not eligible for the discount.

c. The mailpieces with mobile barcodes must be one of the following:

1. Presorted or automation First-Class Mail cards, letters, or flats. Automation pieces must bear Intelligent Mail barcodes.

2. Standard Mail (including Nonprofit) letters or flats.

d. Postage must be paid by permit imprint or by affixing metered postage or a precanceled stamp to each piece of mail; the postage statement and mailing documentation must be submitted electronically. Mailings that are prepared by an entity other than the mail owner must indicate the owner's identity in the electronic documentation ("eDoc"). The eDoc must identify the mail owner and mail preparer in the By/For fields, either by Customer Registration ID (CRID), Mailer ID (MID) or other account type assigned by the USPS. All Presorted and automation pieces declared on a postage statement must contain a mobile barcode that qualifies for the discount.

e. Mailers must provide the USPS acceptance unit with an unaddressed sample of the mailpiece that contains a mobile barcode. If mobile personalization is used, at least two samples must be submitted, demonstrating that the web addresses are unique to each addressee. Mailers must also retain, until October 31, 2012, a sample of each mailpiece claiming a discount.

f. Other than a full-service Intelligent Mail discount (see 705.24), no other incentives apply for mailpieces claiming a discount under this promotion.

g. Participants must agree to participate in a survey conducted during or after the promotional period.

h. Federal government official mailings under OMAS are not eligible for this promotion.

3.3 Discount

[Revise the first sentence of 3.3 and add new second and third sentences as follows:]

Mailers must claim the two percent postage discount on the postage statement at the time the statement is electronically submitted. Mailings with postage affixed will deduct the discount amount from the additional postage due, except that mail service providers authorized to submit Value Added Refund (VAR) mailings may include the refund for the incentive discount in the VAR amount. Pieces with metered postage must bear an exact amount of postage as stipulated by the class and shape of mail. Affixed postage values for metered mailings may be found in the

Federal Register notice available at
pe.usps.com. * * *

* * * * *

We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.

BILLING CODE 7710-12-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R01-OAR-2010-0380; A-1-FRL-9648-5]

Approval and Promulgation of Air Quality Implementation Plans; Connecticut; Determination of Attainment of the One-Hour Ozone Standard for the Greater Connecticut Area

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The EPA is determining that the Greater Connecticut serious one-hour ozone nonattainment area did not meet the applicable deadline of November 15, 2007, for attaining the one-hour National Ambient Air Quality Standard (NAAQS) for ozone. This determination is based upon complete, quality-assured, certified ambient air monitoring data that show the area had an expected ozone exceedance rate above the level of the now revoked one-hour ozone NAAQS for the 2005–2007 monitoring period. Separate from and independent of this determination, EPA is also determining that the Greater Connecticut serious one-hour ozone nonattainment area currently attains the now revoked one-hour NAAQS for ozone, based upon complete, quality-assured, certified ambient air monitoring data for 2008–2010. The area first attained the one-hour NAAQS during the 2006–2008 monitoring period, and continued in attainment during the 2007–2009, and 2008–2010 monitoring periods. Quality assured and quality controlled, but not yet certified ozone data available for 2011 indicate that the area continues to attain the one-hour NAAQS. These determinations are made under the Clean Air Act.

DATES: *Effective Date:* This rule is effective on April 16, 2012.

ADDRESSES: EPA has established a docket for this action under Docket Identification No. EPA-R01-OAR-

2011-0711. All documents in the docket are listed on the www.regulations.gov Web site. Although listed in the index, some information is not publicly available, i.e., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available either electronically through www.regulations.gov or in hard copy at the Office of Ecosystem Protection, U.S. Environmental Protection Agency, EPA New England Regional Office, Office of Ecosystem Protection, Air Quality Planning Unit, 5 Post Office Square—Suite 100, Boston, MA 02109-3912. EPA requests that if at all possible, you contact the contact listed in the **FOR FURTHER INFORMATION CONTACT** section to schedule your inspection. The Regional Office's official hours of business are Monday through Friday, 8:30 to 4:30, excluding legal holidays.

FOR FURTHER INFORMATION CONTACT: Richard P. Burkhart, Air Quality Planning Unit, U.S. Environmental Protection Agency, EPA New England Regional Office, 5 Post Office Square, Suite 100, Boston, MA 02109-3912, telephone number (617) 918-1664, fax number (617) 918-0664, email Burkhart.Richard@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document whenever “we,” “us,” or “our” is used, we mean EPA.

The following outline is provided to aid in locating information in this preamble.

- I. What actions is EPA taking?
- II. What is the effect of these actions?
- III. Final Action
- IV. Statutory and Executive Order Reviews

I. What actions is EPA taking?

EPA is taking two separate and independent actions for the Greater Connecticut one-hour ozone serious nonattainment area (hereafter, “the Greater Connecticut area”).

A. Determination of Failure To Attain by Applicable Attainment Date

EPA is determining that the Greater Connecticut area did not attain the one-hour ozone National Ambient Air Quality Standard (NAAQS) by the applicable attainment date, November 15, 2007. This determination is based upon complete, quality-assured and certified air quality monitoring data for the 2005 through 2007 ozone seasons.

B. Determination of Current Attainment

In addition, EPA is determining that the Greater Connecticut area is currently

attaining the one-hour ozone NAAQS based upon complete, quality-assured and certified ambient air monitoring data showing the area currently monitored attainment of the one-hour ozone NAAQS, and that it has done so continuously since the 2006–2008 monitoring period.

Other specific details related to these determinations and the rationale for EPA's action are explained in the Notice of Proposed Rulemaking (NPR) published on November 23, 2011 (76 FR 72377) and will not be restated here. No comments were received on the NPR.

II. What is the effect of these actions?

After revocation of the one-hour ozone standard, EPA must continue to provide a mechanism to give effect to the one-hour anti-backsliding requirements. See *SCAQMD v. EPA*, 47 F.3d 882, at 903. In keeping with this responsibility, EPA has determined that Greater Connecticut failed to attain the one-hour ozone standard by its applicable attainment date. Consistent with 40 CFR 51.905(e)(2), and the South Coast decision, upon revocation of the one-hour ozone NAAQS for an area, EPA is no longer obligated to determine whether an area has attained the one-hour NAAQS, except insofar as it relates to effectuating the anti-backsliding requirements that are specifically retained. EPA's determination here is linked solely to required, one-hour anti-backsliding, contingency measures. A final determination of failure to attain will not result in reclassification of the area under the revoked one-hour standard, nor is EPA identifying or determining any new one-hour reclassification for the area. EPA is no longer required to reclassify an area to a higher classification for the one-hour ozone NAAQS based upon a determination that the area failed to attain that NAAQS by its attainment date. See 40 CFR 51.905(e)(2)(i)(B). Moreover, EPA has previously approved the one-hour ozone attainment demonstration and Reasonable Further Progress (ROP) plans for this area, and in doing so noted that although there were no state implementation plan contingency measure reductions applicable to the Greater Connecticut area for failure to attain, there were federal measures the state had not accounted for in its attainment demonstration that provided more reductions than necessary to serve the purpose of contingency measures for this area. See 66 FR 634, January 3, 2001. In addition, EPA has also determined that the Greater Connecticut area attained the one-hour ozone standard in 2008, and continues to
