## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68884; File No. SR-EDGA-2013-04]

### Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGA Rule 11.14 To Extend the Operation of the Single Stock Circuit Breaker Program

February 8, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 30, 2013, EDGA Exchange, Inc. ("EDGA" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend EDGA Rule 11.14 to extend the operation of the single stock circuit breaker pilot program (the "Pilot") from the current scheduled expiration date of February 4, 2013 until the earlier of the initial date of operations of the Regulation NMS Plan to Address Extraordinary Market Volatility (the "Plan") or February 4, 2014. All of the changes described herein are applicable to EDGA Members. The text of the proposed rule change is available on the Exchange's Internet Web site at [www.directedge.com](http://www.directedge.com), at the Exchange's principal office, and at the Public Reference Room of the Commission.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend EDGA Rule 11.14 to extend the operation of the Pilot from the current scheduled expiration date of February 4, 2013<sup>3</sup> until the earlier of the initial date of operations of the Plan or February 4, 2014. The Pilot will continue to operate as to individual securities until such security is subject to the Plan.

EDGA Rule 11.14 requires the Exchange to pause trading in an individual security listed on the Exchange if the primary listing market for such stock issues a trading pause. Such trading pause will continue until trading has resumed on the primary listing market. However, the Exchange may resume trading in such stock if trading has not resumed on the primary listing market and ten minutes have passed since the individual stock trading pause message has been received from the responsible single plan processor. The Pilot was developed and implemented as a market-wide initiative by the Exchange and other national securities exchanges in consultation with the Securities and Exchange Commission (the "Commission") staff and is currently applicable to all NMS stocks and specified exchange-traded products.<sup>4</sup>

<sup>3</sup> See Securities Exchange Release No. 67501 (July 25, 2012), 77 FR 45396 (July 31, 2012) (SR-EDGA-2012-31).

<sup>4</sup> The Exchange notes that the other national securities exchanges and the Financial Industry Regulatory Authority have adopted the Pilot in substantially similar form. See Securities Exchange Act Release No. 62252 (June 10, 2010), 75 FR 34186 (June 16, 2010) (File Nos. SR-BATS-2010-014; SR-EDGA-2010-01; SR-EDGX-2010-01; SR-BX-2010-037; SR-ISE-2010-48; SR-NYSE-2010-39; SR-NYSEAmex-2010-46; SR-NYSEArca-2010-41; SR-NASDAQ-2010-061; SR-CHX-2010-10; SR-NSX-2010-05; and SR-CBOE-2010-047) and Securities Exchange Act Release No. 62251 (June 10, 2010), 75 FR 34183 (June 16, 2010) (SR-FINRA-2010-025).

The extension proposed herein would allow the Pilot to continue to operate without interruption until implementation of the Plan.<sup>5</sup> The Plan will begin initial operations on April 8, 2013.<sup>6</sup> If the Plan has an initial date of operations before February 4, 2014, the proposed Pilot for trading pauses would expire at that time.

###### 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>7</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>8</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the change proposed herein meets these requirements in that it promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements, which promotes just and equitable principles of trade and

removes impediments to, and perfects the mechanism of, a free and open market and a national market system. Additionally, extension of the Pilot until the earlier of the initial date of operations of the Plan or February 4, 2014 would allow the Pilot to continue to operate without interruption while the Exchange and the Commission further assess the effect of the Pilot on the marketplace or whether other initiatives should be adopted in lieu of the current Pilot, which contributes to the protection of investors and the public interest.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes are being made to extend the Pilot until the earlier of the initial date of operations of the Plan or February 4, 2014 would allow the Pilot to continue to operate without interruption until implementation of the Plan, which contributes to the protection of investors and the public interest. Other competing equity exchanges are subject to the same trading pause requirements specified in the Plan. Thus, the proposed changes will not impose any burden on competition while providing trading pause requirements specified in the Plan.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange has neither solicited nor received written comments on the proposed rule change.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder.<sup>10</sup> Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative

prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>11</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>12</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would allow the pilot program to continue uninterrupted. Accordingly, the Commission hereby grants the Exchange's request and designates the proposal operative upon filing.<sup>13</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
