Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on

respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: SAMHSA Application for Peer Grant Reviewers (OMB No. 0930-0255)—Extension

Section 501(h) of the Public Health Service (PHS) Act (42 U.S.C. 290aa) directs the Administrator of the Substance Abuse and Mental Health Services Administration (SAMHSA) to establish such peer review groups as are needed to carry out the requirements of Title V of the PHS Act. SAMHSA administers a large discretionary grants program under authorization of Title V, and, for many years, SAMHSA has funded grants to provide prevention and treatment services related to substance abuse and mental health.

In support of its grant peer review efforts, SAMHSA desires to continue to expand the number and types of reviewers it uses on these grant review committees. To accomplish that end, SAMHSA has determined that it is important to proactively seek the inclusion of new and qualified representatives on its peer review groups. Accordingly SAMHSA has developed an application form for use by individuals who wish to apply to serve as peer reviewers.

The application form has been developed to capture the essential information about the individual applicants. Although consideration was given to requesting a resume from interested individuals, it is essential to have specific information from all applicants about their qualifications. The most consistent method to accomplish this is through completion of a standard form by all interested persons which captures information about knowledge, education, and experience in a consistent manner from all interested applicants. SAMHSA will use the information provided on the applications to identify appropriate peer grant reviewers. Depending on their experience and qualifications, applicants may be invited to serve as either grant reviewers or review group chairpersons.

The following table shows the annual response burden estimate.

| Number of respondents | Responses/ respondent | Burden/ responses (hours) | Total burden hours |
|-----------------------|--------------------------|---------------------------------|-----------------------|
| 500 | 1 | 1.5 | 750 |

Send comments to Summer King, SAMHSA Reports Clearance Officer, Room 2–1057, One Choke Cherry Road, Rockville, MD 20857 or email her a copy at summer.king@samhsa.hhs.gov. Written comments should be received by May 28, 2013.

Summer King,
Statistician.

United States Coast Guard

[Docket No. USCG–2013–0194]

Navigation Safety Advisory Council; Meeting

AGENCY: United States Coast Guard, DHS.

ACTION: Notice of Federal Advisory Committee meeting; correction.

SUMMARY: The Navigation Safety Advisory Council (NAVSAC) will meet April 10–11, 2013, in Arlington, Virginia to discuss matters relating to maritime collisions, ramming, groundings; Inland and International Rules of the Road; navigation regulations and equipment; routing measures; marine information; diving safety; and aids to navigation systems. This notice corrects the previous notice to add an explanation for why 15-days advance notice was not given.

DATES: NAVSAC will meet Wednesday, April 10, 2013, from 8 a.m. to 5 p.m., and Thursday, April 11, 2013, from 8 a.m. to 5 p.m. Please note that the meeting may close early if the committee has completed its business. Pre-registration and written comments are due April 1, 2013.

ADDRESSES: The meeting will be held at the Navy League Building, Coast Guard Recruiting Command, 5th floor conference room, 2300 Wilson Boulevard, Suite 500, Arlington, Virginia 20598. All visitors to the Navy League Building must pre-register to be admitted to the building. You may pre-register by contacting Mr. Burt Lahn listed in the **FOR FURTHER INFORMATION CONTACT** section below.

FOR FURTHER INFORMATION CONTACT: If you have questions about this meeting, please contact Mr. Mike Sollosi, the NAVSAC Alternate Designated Federal Officer (ADFO), by telephone at 202–372–1545 or via email at mike.m.sollosi@uscg.mil; or Mr. Burt Lahn, NAVSAC meeting coordinator, at

telephone 202–372–1526 or email burt.a.lahn@uscg.mil. If you have questions on viewing or submitting material to the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION: The Coast Guard's March 27, 2013 notice of the April 10–11 2013, NAVSAC meeting inadvertently failed to contain an explanation for its publication less than 15 calendar days prior to the meeting, as required by General Services Administration rules 41 CFR–102–3.150(b). The reason the notice was published only 14 calendar days prior to the meeting was an administrative delay. The Coast Guard regrets the delay in publication but notes that the notice was publicly available on the **Federal Register** Web site 16 calendar days prior to the meeting. Additionally, all known interested parties were made aware of the meeting with sufficient time for planning purposes.

It is critical that this meeting be held on the announced meeting date because delays in Council discussions could have significant ramifications for ongoing Coast Guard studies and evaluations on the agenda for the upcoming meeting. Maintaining the current meeting schedule allows the Coast Guard to continue deliberations and forward progress regarding multiple risk assessments for U.S. ports and waterways.

If you have been adversely affected by the delay in publishing the notice, contact Mr. Mike Sollosi or Mr. Burt Lahn (see **FOR FURTHER INFORMATION CONTACT**) and the Coast Guard will make every effort to accommodate you.

Dated: March 25, 2013.

Kathryn Sinniger,
Chief, Office of Regulations and Administrative Law, U.S. Coast Guard.
