BILLING CODE 9110-12-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket No. FEMA-2013-0002; Internal Agency Docket No. FEMA-B-1272]

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency; DHS.

ACTION: Notice; correction.

SUMMARY: On November 8, 2012, FEMA published in the **Federal Register** a proposed flood hazard determination notice that contained an erroneous table. This notice provides corrections to that table, to be used in lieu of the information published at FR 77 67016.

DATES: The comment period is ninety (90) days following the second publication of this correction notice in

a newspaper of local circulation in the community.

ADDRESSES: The proposed flood hazard information for the affected communities, as shown on the Preliminary FIRM and, where applicable, FIS report, is available for inspection at the Community Map Repositories at the addresses shown in the table below.

FOR FURTHER INFORMATION CONTACT: Luis Rodriguez, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064 or (email) Luis.Rodriguez3@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community listed in the table below, in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other

Federal, State, or regional entities.

These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

The communities affected by the flood hazard determinations are provided in the table below. Any request for reconsideration of the revised flood hazard determinations shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations will also be considered before the FIRM and FIS report are made final.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP may only be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information

regarding the SRP process can be found online at http://floodsrp.org/pdfs/srp_fact_sheet.pdf.

The communities affected are listed in the table below. The Preliminary FIRM and where applicable, Preliminary FIS report for each community are available for inspection at both the online location and the respective Community Map Repository address listed in the

tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at www.msc.fema.gov for comparison.

Correction

In the proposed flood hazard determination notice published at 77 FR 67016, the table contained inaccurate

information as to the location of the Community Map Repository Address for the following communities: the Cities of Brandon and Florence and the Township of Puckett. In this notice, FEMA is publishing a table containing the accurate information, to address these prior errors. The information provided below should be used in lieu of that previously published.

Community	Community Map Repository Address
Rankin County, Mississippi, and Incorporated Areas	
Maps Available for Inspection Online at: http://www.geology.deq.ms.gov/floodmaps/Projects/FY2009/?county=Rankin	
City of Brandon	City Hall, 1000 Municipal Drive, Brandon, MS 39042.
City of Florence	City Hall, 203 College Street, Florence, MS 39073.
City of Flowood	City Hall, 2101 North Airport Road, Flowood, MS 39232.

[FWS-R6-R-2013-N021; FXRS12 65066CCP0-134-FF06R06000]

Niobrara Confluence and Ponca Bluffs Conservation Areas, NE and SD; Draft Environmental Impact Statement and Land Protection Plan; Request for Public Comments

AGENCY: Fish and Wildlife Service, National Park Service, Interior.

ACTION: Notice of availability.

SUMMARY: We, U.S. Fish and Wildlife Service (FWS) and the National Park Service (NPS), as lead agencies, announce the availability of a draft environmental impact statement (DEIS) and land protection plan (LPP) for the proposed Niobrara Confluence Conservation Area and Ponca Bluffs Conservation Area in Nebraska and

South Dakota for public review and comment. In these documents, we describe alternatives, including our proposed action, for implementing conservation actions along the Missouri River and its tributaries. We are furnishing this notice in compliance with the National Wildlife Refuge System Administration Act of 1966, as amended, the National Park Service Organic Act of 1916, as amended, and the National Environmental Policy Act to advise other agencies, Tribal governments, and the public of our intentions to provide the opportunity for public review and comment on the DEIS and LPP.

DATES: To ensure consideration, please send your written comments by June 14th, 2013. We will announce upcoming public meetings in local news media, on our Web site, and by mail.

ADDRESSES: You may submit your comments or a request for copies (hard copies or a CD-ROM) or more information by any of the following methods:

Agency Web site: <http://parkplanning.nps.gov/niob-ponca>.

Email: niobrara_ponca@fws.gov.

In-Person Viewing or Pickup: Call (605) 665-0209 to make an appointment during regular business hours at Missouri River National Recreational River Headquarters, 508 East 2nd Street, Yankton, SD 57078.

Mail: Nick Kaczor, USFWS, Division of Refuge Planning, P.O. Box 25486, DFC, Denver, CO 80225.

FOR FURTHER INFORMATION CONTACT: Nick Kaczor, Planning Team Leader, at (303) 236-4387, or by mail at Division of Refuge Planning, USFWS, P.O. Box 25486, DFC, Denver, CO 80225.

SUPPLEMENTARY INFORMATION:

Introduction

With this notice, we continue the LPP process for the proposed Niobrara Confluence and Ponca Bluffs Conservation Areas. We started this process through a notice in the **Federal Register** (77 FR 8892, February 15, 2012).

The proposed Niobrara Confluence and Ponca Bluffs Conservation Areas are partnership-based projects being taken on by the U.S. Fish and Wildlife Service and National Park Service, to build upon existing conservation efforts along the Missouri River in northeast Nebraska and southeast South Dakota. This proposal aims to work with willing private landowners, local communities, and other conservation entities to conserve important wildlife habitats, increase quality recreational opportunities, preserve sensitive historical sites, and maintain sustainable ranching operations.

The Missouri River

The Missouri River is the artery to America's heartland, coursing its way
