SUPPLEMENTARY INFORMATION: On December 12, 2012, representatives of the Phase I claimant categories (the "Phase I Claimants")¹ filed with the Judges a motion requesting a partial distribution of 50% of the 2011 satellite royalty funds pursuant to section 801(b)(3)(C) of the Copyright Act. 17 U.S.C. 801(b)(3)(C). That section requires that the Judges publish a notice in the **Federal Register** seeking responses to the motion for partial distribution to ascertain whether any claimant entitled to receive such fees has a reasonable objection to the requested distribution before ruling on the motion. Consequently, this Notice seeks comments from interested claimants on whether any reasonable objection exists that would preclude the distribution of 50% of the 2011 satellite royalty funds to the Phase I Claimants. The Judges must be advised of the existence and extent of all such objections by the end of the comment period. The Judges will not consider any objections with respect to the partial distribution motion that come to their attention after the close of that period.

The Judges also seek comment on the existence and extent of any controversies to the 2011 satellite royalty funds at Phase I or Phase II with respect to those funds that would remain if the motion for partial distribution is granted.

The Motion of the Phase I Claimants for Partial Distribution is posted on the Copyright Royalty Board Web site at <http://www.loc.gov/crb>.

¹ The "Phase I Claimants" are Program Suppliers, Joint Sports Claimants, Broadcaster Claimants Group, Music Claimants (represented by American Society of Composers, Authors and Publishers, Broadcast Music, Inc., and SESAC, Inc.), and Devotional Claimants. In Phase I of a satellite royalty distribution proceeding, royalties are allocated among certain categories of broadcast programming that have been retransmitted by satellite systems. The categories have traditionally been movies and syndicated television series, sports programming, commercial broadcaster-owned programming, religious programming, and music. Public Television Claimants, Canadian Claimants, and National Public Radio, which traditionally have received Phase I shares of cable royalties, do not claim Phase I shares of the satellite royalty funds. In Phase II of a satellite royalty distribution proceeding, royalties are allocated among claimants within each of the Phase I categories.
