

Copco No. 1 Dam and Reservoir (RM 198.6 to 203.1), J.C. Boyle Dam and Reservoir (RM 220.4 to 228.3), Keno Dam and Reservoir (RM 233 to 253.1), and East Side and West Side facilities (both in Link River at RM 253.1 to 254.3).

The “covered activities” included in the plan consist of a variety of activities at the seven facilities listed above that are necessary to generate hydroelectric power and to maintain these facilities. These include: Operate and maintain spill gates for regulation and releases of flows; operate and maintain canals, flowlines, and other water conveyance systems; operate and maintain penstocks, turbines, and powerhouse facilities; operate and maintain fish bypass systems; and regulate water levels and flows necessary to maintain minimum reservoir elevations, river flows, and ramping rates.

The applicant proposes to avoid, minimize, and mitigate the effects to the covered species associated with the covered activities by fully implementing the plan. The following minimization and mitigation measures will be implemented as part of the plan: Take of listed species will be substantially reduced by shutting down the East Side and West Side developments within 30 days of issuance of the ITP. These facilities will remain substantially shut down until eventual decommissioning of the facilities as determined by the Federal Energy Regulatory Commission. Mitigation of take will result from funding of restoration projects and other activities that will benefit the recovery of the species.

Under the proposed action alternative, we would issue an incidental take permit for the applicant’s proposed project, which includes the activities described above and in more detail in the plan.

Environmental Review

As described in our EA, we have made the preliminary determination that approval of the proposed plan and issuance of the permit would qualify as Finding of No Significant Impact (FONSI) under NEPA (42 U.S.C. 4321 *et seq.*), as provided by Federal regulations (40 CFR 1500, 5(k), 1507.3(b)(2), and 1508.4) and the Department of the Interior Manual (516 DM 2 and 516 DM 8). Our EA describes the project effects on all potential resources that could be adversely affected, including water resources (hydrology and water quality); biological resources (Lost River and shortnose suckers, anadromous fishes, and other fishes); socioeconomics (local employment, recreation, renewable energy, land use, and development);

environmental justice; and cultural resources. It also includes an analysis of alternatives, and other required analyses such as unavoidable adverse effects, irreversible and irretrievable commitments of resources, short-term uses versus long-term productivity and cumulative effects, and the environmentally preferable alternative (the proposed project).

Public Comments

We request data, comments, new information, or suggestions from the public, other concerned governmental agencies, the scientific community, Tribes, industry, or any other interested party on this notice. We particularly seek comments on the following:

1. Biological information concerning the species;
2. Relevant data concerning the species;
3. Additional information concerning the range, distribution, population size, and population trends of the species;
4. Current or planned activities in the subject area and their possible impacts on the species;
5. The presence of archeological sites, buildings and structures, historic events, sacred and traditional areas, and other historic preservation concerns, which are required to be considered in project planning by the National Historic Preservation Act; and
6. Identification of any other environmental issues that should be considered with regard to the proposed development and permit action.

You may submit your comments and materials by one of the methods listed in the **ADDRESSES** section.

We will identify in the FONSI if we need to prepare further NEPA documentation. We will also consider public comments on the draft EA when making the final determination on whether to prepare additional NEPA documents on the proposed action.

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Availability of Documents

You may obtain copies of the permit application, plan, and EA from the individuals in **FOR FURTHER INFORMATION**

CONTACT. Copies of these documents are available for public inspection, by appointment, during regular business hours, at the Klamath Falls Fish and Wildlife Office (see **ADDRESSES**), and on our Web site at www.fws.gov/klamathfallsfwo/.

Next Steps

We will evaluate the permit application; including the plan and comments we receive, to determine whether the application meets the requirements of section 10(a) of the Act. If the requirements are met, we will issue a permit to the applicant for the incidental take of the Lost River sucker and the shortnose sucker resulting from the implementation of the covered activities described in the plan. We will make the final permit decision no sooner than 30 days after the date of this notice.

Authority

We publish this notice under the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*; NEPA), and its implementing public involvement regulations in the Code of Federal Regulations (40 CFR 1500.1(b), 1500.2(d), and 1506.6), as well as in compliance with section 10(c) of the Endangered Species Act (16 U.S.C. 1531 *et seq.*; Act).

Dated: January 22, 2013.

Alexandra Pitts,

Deputy Regional Director, Pacific Southwest Region.

BILLING CODE P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLWO620000.L18200000.XH0000]

Call for Nominations for Resource Advisory Councils

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to request public nominations for the Bureau of Land Management (BLM) Resource Advisory Councils (RAC) that have member terms expiring this year. The RACs provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas. The BLM will accept public nominations for 45 days after the publication of this notice.

DATES: All nominations must be received no later than March 14, 2013.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** below for the addresses of BLM State Offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Twinkle Thompson-Seitts, U.S. Department of the Interior, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street NW., MS-MIB 5070, Washington, DC 20240; 202-208-7301.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations, archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of State, county, or local elected office, employees of a State agency responsible for management of natural resources, representatives of Indian tribes within or adjacent to the area for which the council is organized, representatives of academia who are employed in natural sciences, and the public-at-large. Individuals may nominate themselves or others. Nominees must be residents of the State in which the RAC has jurisdiction. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from being appointed or re-

appointed to FACA and non-FACA boards, committees, or councils.

The following must accompany all nominations:

- Letters of reference from represented interests or organizations;
- A completed Resource Advisory Council application; and
- Any other information that addresses the nominee's qualifications.

Simultaneous with this notice, BLM state offices will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC in the state. Nominations and completed applications for RACs should be sent to the appropriate BLM offices listed below:

Call for Nominations for the Steens Mountain Advisory Council, OR

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) requests public nominations for five persons to serve on the Steens Mountain Advisory Council. Citizens who serve on these groups provide advice and recommendations to the BLM on land use planning and management of the Steens Mountain Cooperative Management and Protection Area. The BLM will accept public nominations for 30 days after the publication of this notice.

DATES: All nominations must be received no later than February 27, 2013.

ADDRESSES: Send completed Advisory Council nominations to BLM Burns

District Office; 28910 Highway 20 West; Hines, OR 97738-9424. Nomination forms are available at the BLM Burns District Office, or online at <http://www.blm.gov/or/rac/steensac.php>.

FOR FURTHER INFORMATION CONTACT: Tara Martinak, Public Affairs Specialist, BLM Burns District Office, 28910 Highway 20 West, Hines, OR 97738-9424, 541-573-4519, or email tmartina@blm.gov.

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: Any individual may nominate himself/herself or others to serve on the Council. Positions currently open or with terms expiring in 2013 include a member of the Burns Paiute Tribe, a representative of the State government to serve as a liaison to the advisory council, a representative of a State environmental organization, a person interested in fish and recreational fishing in the Cooperative Management and Protection Area (CMPA), a recreation permit holder or representative of a commercial recreation operation in the CMPA, and a private landowner within the CMPA. All nomination applications should include letters of reference and/or recommendations from the represented interests or organizations and any other information explaining the nominee's qualifications (e.g., resume, curriculum vitae). The BLM Burns District will collect the nomination forms and letters of reference and distribute them to the officials responsible for submitting nominations (County Court of Harney County, the Governor of Oregon, and the BLM). The BLM will then forward recommended nominations to the Secretary of the Interior, who appoints Council members.

The Steens Mountain Advisory Council (SMAC) was initiated on August 14, 2001, pursuant to the Steens Mountain Cooperative Management and Protection Act of 2000 (Pub. L. 106-399). The SMAC provides representative counsel and advice to the BLM regarding new and unique approaches to management of the land within the bounds of the Steens Mountain CMPA; recommending cooperative programs and incentives for landscape management that meet human needs, and the maintenance and improvement of the ecological and economic integrity of the area. The BLM is publishing this

notice under Section 9 (a)(2) of the Federal Advisory Committee Act (FACA), to seek public nominations for membership on the SMAC. Applicants must be qualified through education, training, knowledge, or experience to give informed advice regarding an industry, discipline, or interest to be represented. Nominees must also demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from serving on all FACA and non-FACA boards, committees or councils.

Before including your address, phone number, email address, or other personal identifying information in your comments, please be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Brendan Cain,

Burns District Manager.
