BILLING CODE 4140-01-P

# DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5763-N-03]

Implementation of the Privacy Act of 1974, as Amended; Republication To Delete and Update Privacy Act System of Records Notifications

**AGENCY:** Office of the Chief Information Officer, HUD.

**ACTION:** Notice republications and deletions.

**SUMMARY:** Pursuant to the Privacy Act of 1974 (U.S.C. 552a(e)(4)), as amended, and Office of Management and Budget (OMB), Circular No. A-130, notice is hereby given that the Department of Housing and Urban Development (HUD), Office of the Chief Information Officer (OCIO) republishes in the Federal Register correction to the "Authority for Maintenance of the System" and "Retention and Disposal" information for certain notices published in the Federal Register for notice entitled "Republication to Delete and Update Privacy Act System of Records Notifications" (February 6, 2013, 78 FR 02646). Furthermore, the Department announces its intent to also delete two systems of records from the publication. These notices and the records thereof are collected and maintained by the Office of the Chief Financial Officer (OCFO). Detailed descriptions of the present systems covered by these actions are provided under the supplementary section and as part of the updated notice. This notice supersedes the previously published notices referenced by this republication. **DATES:** Effective Date: All revisions included in this republication are complete and accurate as of February 7,

[The above telephone number is not a toll free numbers.] A telecommunications device for hearing- and speech-impaired persons (TTY) is available by calling the

Federal Information Relay Service's toll-free telephone number (800) 877–8339.

#### SUPPLEMENTARY INFORMATION:

Republication to update and/or delete system of records notifications.

On February 6, 2013, the Department issued a notice in the **Federal Register** entitled "Republication to Delete and Update Privacy Act System of Records Notifications". Subsequently certain notices under this publication cited inapplicable legal authorities and record retention practices. This republication notifies the public of the corrected information.

Updated Systems—The systems modified by this republication and their new coding structure are listed as follows:

- CFO/FY.01 HUD Central Accounting and Program System (Previous CFO/ FY.01)
- 2. CFO/FY.02 Previous publication: CFO/FY.03, Line of Credit Control System, February 6, 2013
- 3. CFO/FY.03 Personal Services Cost Reporting Subsystem (Previously CFO/FY.05)
- 4. CFO/FY.04 Financial Data Mart (Previously CFO/FY.06)

Additional analysis concluded with the Chief Financial Officer having to delete two system of records notifications: CFO/FY.02: Audit Resolution and Corrective Action Tracking System, and CFO/FY.04: Integrated Automated Travel System. The Privacy Act notice for the CFO/ FY.02: Audit Resolution and Corrective Action Tracking System will be deleted entirely and does not require Privacy Act coverage, and CFO/FY.04: Integrated Automated Travel System will adopt its Privacy Act coverage under GSA/GOVT-4, Contracted Travel Services Program (June 3, 2009, 74 FR 26700).

These systems are those maintained by HUD's Office of the Chief Financial Officer that include personally identifiable information provided by individuals from which information is retrieved by a name of unique identifier. The system revisions encompass programs and services of the Department's data collection and management practices. This republication allows HUD to organize and re-publish up-to-date and accurate information as specified above. The system modifications and deletions incorporate Federal privacy requirements, and HUD policy requirements. The Privacy Act provides certain safeguards for an individual against an invasion of personal privacy by requiring Federal agencies to protect records contained in an agency system

of records from unauthorized disclosure, ensure that information is current for its intended use, and that adequate safeguards are provided to prevent misuse of such information. Additionally, the updates reflect the Department's focus on industry best practices in protecting the personal privacy of the individuals covered by each system notification. This notice for each system of records states the name and location of the record system, the authority for and manner of it operations, the categories of individuals that it covers, the type of records that it contains, the sources of the information for those records, the routine uses of each systems of records, and the system of records exemption types. In addition, each notice includes the business address of the HUD officials who will inform interested persons of the procedures whereby they may gain access to and/or request amendments to records pertaining to them. The routine uses that apply to this publication are reiterated based on past publication to clearly communicate the ways in which HUD continues to conduct some of its business practices.

Since the republication of system of records notices does not meet the threshold requirements for a new or amended system, a report was not submitted to the Office of Management and Budget (OMB), the Senate Committee on Homeland Security and Governmental Affairs, and the House Committee on Government Reform as instructed by Paragraph 4c of Appendix 1 to OMB Circular No. A–130, "Federal Agencies Responsibilities for Maintaining Records About Individuals," July 25, 1994 (59 FR 37914).

**Authority:** 5 U.S.C. 552a; 88 Stat. 1896; 42 U.S.C. 3535(d).
