

89130 and at the BLM Web site <http://www.blm.gov/nv/st/en/fo/lvfo.html>. This Notice will be posted in the local BLM district office with jurisdiction over the lands to which the order applies (43 CFR 8364.1(b)(5) and 43 CFR 423.12, respectively).

Exceptions: The temporary closures will affect only public lands within the described closure area. Not all public lands within the closure area will be temporarily closed and some closed areas may be reopened during the impound operations if operations have moved to another geographic area. Areas temporarily closed to public access will be posted with signs, barricades, if appropriate, and copies of this temporary closure. Enforcement of the temporary closure by law enforcement personnel will be limited to those geographic areas determined by Incident Command staff, within the overall closure boundary, that need to be closed based on planned and on-going operations to ensure the safety of the public, Federal employees, and contractor personnel.

Two locations are available for members of the public to express their First Amendment rights: I-15 and Exit 112 for Riverside and State Route 170 and White Rock Road. Only one area will be available at a time; Incident Command staff will determine daily which location is most suitable, based on impound operation activities and safety considerations, and will post the location on BLM and National Park Service (NPS) websites.

A media information and interview area will be located at the Intersection of I-15 and Toquap Wash (between mile marker 114 and 115). This location will serve as the primary location for media to conduct in-person interviews during the impoundment operations and temporary closure. Staffed times will be flexible based on media interest and return times of media from observation tours.

Within the closure area, escorted media viewing opportunities will be made available for BLM/NPS credentialed media during the impoundment operation. In order to gain media access during the impound, media representatives must be BLM/NPS credentialed and RSVP by calling 702-515-5226 the day before they wish to observe so guidelines and logistical details may be provided.

Private landholders and holders of valid rights-of-way will be granted access through public lands affected by this temporary closure for the purposes of accessing their private land or right-of-way only.

Penalties: In accordance with Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733 (a)) and 43 CFR 8360.0-7, the BLM will enforce the temporary closures that are put in place on public lands in northeastern Clark County, Nevada.

The following persons are exempt from this temporary closure: Federal, State, and local officers and employees in the performance of their official duties; members of organized rescue or fire-fighting forces in the performance of their official duties; and persons with written authorization from the BLM.

A person who violates the above order may be cited and tried before a United States Magistrate and fined no more than \$1,000, imprisoned for no more than 12 months, or both. Such violations may also be subject to the enhanced fines provided for by 18 U.S.C. 3571.

COMMISSION**

[Investigation No. 337–TA–911]

**Certain Lithium Silicate Materials and
Products Containing the Same;
Institution of Investigation Pursuant to
19 U.S.C. 1337**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on February 19, 2014, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of Ivoclar Vivadent AG of Schaan, Liechtenstein; Ivoclar Vivadent, Inc. of Amherst, New York; and Ivoclar Vivadent Manufacturing Inc. of Somerset, New Jersey. The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain lithium silicate materials and products containing the same by reason of infringement of certain claims of U.S. Patent No. 8,047,021 (“the ‘021 patent”) and U.S. Patent No. 8,444,756 (“the ‘756 patent”). The complaint further alleges that an industry in the United States exists or is in the process of being
