Purpose of the Board

The purpose of the Board is to review annually the programs of the National Fire Academy (NFA) and advise the Administrator of the Federal Emergency Management Agency (FEMA), through the United States Fire Administrator, of the operation of the NFA and any improvements therein that the Board deems appropriate. In carrying out its responsibilities, the Board examines NFA programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the NFA to determine the adequacy of the NFA's facilities, and examines the funding levels for NFA programs. The Board submits a written annual report, through the United States Fire Administrator, to the Administrator of FEMA. The report provides detailed comments and recommendations regarding the operation of the NFA.

Agenda

At its December 2013 meeting, the Board recommended establishing a two-year NFA Managing Officer Program designed to enhance the management and leadership skills of first-line to mid-level managers in their fire and emergency medical service organizations. Two subcommittees were established by the Designated Federal Officer to review curriculum and admissions and final project guidelines. The Board will review reports from

these subcommittees, deliberate, and develop recommendations for presentation to the FEMA Administrator through the U.S. Fire Administrator.
