

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Office of Global Affairs: Stakeholder Listening Session in Preparation for the 67th World Health Assembly**

Time and date: May 9, 2014, 12:00–1:30 p.m. EST.

Place: Willow Conference Room, Thomas P. O'Neill Federal Building, 200 C St. SW., Washington, DC 20024.

Status: Open, but requiring RSVP to OGA.RSVP@hhs.gov.

Purpose

The U.S. Department of Health and Human Services (HHS)—charged with leading the U.S. delegation to the 67th World Health Assembly—will hold an informal Stakeholder Listening Session on *Friday, May 9, 12:00–1:30 p.m.*, in the Willow Conference Room of the Thomas P. O'Neill Federal Building, 200 C St. SW., Washington, DC 20024.

The Stakeholder Listening Session will help the HHS Office of Global Affairs prepare for the World Health Assembly by taking full advantage of the knowledge, ideas, feedback, and suggestions from all communities interested in and affected by agenda items to be discussed at the 67th World Health Assembly. Your input will contribute to U.S. positions as we negotiate these important health topics with our international colleagues.

The listening session will be organized around the interests and perspectives of stakeholder communities, including, but not limited to:

- Public health and advocacy groups;
- State, local, and Tribal groups;
- Private industry;
- Minority health organizations; and
- Academic and scientific organizations.

It will allow public comment on all agenda items to be discussed at the 67th World Health Assembly: http://apps.who.int/gb/ebwha/pdf_files/WHA67/A67_1-en.pdf.

RSVP

Due to security restrictions for entry into the HHS Thomas P. O'Neill Federal Building, we will need to receive RSVPs for this event. Please send your full name and organization to OGA.RSVP@hhs.gov. If you are not a U.S. citizen, please note this in the subject line of your RSVP, and our office will contact you to gain additional biographical information for your clearance. Please RSVP no later than Friday, May 2, 2014.

Written comments are welcome and encouraged, even if you are planning on attending in person. Please send these to

the same email address: OGA.RSVP@hhs.gov.

We look forward to hearing your comments relative to the 67th World Health Assembly agenda items.

Dated: April 7, 2014.

Jimmy Kolker,

Assistant Secretary for Global Affairs.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Statement of Organization, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772–76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 79 FR 15593–19954, dated March 20, 2014) is amended to reflect the reorganization of the Food Safety Office, National Center for Emerging and Zoonotic Infectious Diseases.

Delete in its entirety the title and function statements for the Food Safety Office (CVL12), Office of the Director (CVL1).

After the mission statement for the Division of Foodborne, Waterborne and

Environmental Diseases (CVLB), insert the following:

Food Safety Office (CVLB13). (1) Provides leadership in preventing and controlling foodborne illness by coordinating related activities within CDC and with other local, state, federal, and international organizations; (2) directs the activities related to development of long-term NCEZID, OID, and CDC strategies, policies, and budgets for foodborne disease prevention activities; (3) allocates and tracks interagency resources within CDC for foodborne disease surveillance, outbreak response, applied research, education and training; (4) administers and tracks resources for foodborne disease prevention and control activities of state and local health departments and other organizations; (5) represents NCEZID and CDC programs and prevention policies in meetings with governmental, non-governmental, private, and international organizations; (6) reviews, prepares, and coordinates congressional testimony and briefing documents related to foodborne diseases, and analyzes programmatic and policy implications of legislative proposals; and (7) provides direction and administrative support to the World Health Organization (WHO) Collaborating Center for Foodborne Disease Surveillance.

Dated: April 7, 2014.

Sherri A. Berger,

MSPH Chief Operating Officer, Centers for Disease Control and Prevention.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Statement of Organization, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772–76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 79 FR 15593–15594, dated March 20, 2014) is amended to reflect the reorganization of the Division of Healthcare Quality Promotion, National Center for Emerging and Zoonotic Infectious Diseases, Centers for Disease Control and Prevention.

Section C–B, Organization and Functions, is hereby amended as follows:

Delete in its entirety the title and the mission and function statements for the Division of Healthcare Quality Promotion (CVLD) and insert the following:

Division of Healthcare Quality Promotion (CVLD). The mission of the Division of Healthcare Quality Promotion (DHQP) is to protect patients; protect healthcare personnel; and promote safety, quality, and value in both national and international healthcare delivery systems. In carrying out its mission, DHQP: (1) Measures, validates, interprets, and responds to data relevant to healthcare-associated infections (HAI); antimicrobial use and resistance; adverse drug events; blood, organ and tissue safety; immunization safety; and other related adverse events or medical errors in healthcare affecting patients and healthcare personnel; (2) investigates and responds to emerging infections and related adverse events among patients and healthcare personnel; (3) develops and maintains the National Healthcare Safety Network (NHSN), a tool for monitoring healthcare-associated infections, antimicrobial use and resistance, measuring healthcare outcomes and processes, monitoring healthcare worker vaccination, and selected health measures in healthcare facilities; (4) assesses local, regional, national scope and burden of infections caused by resistant-bacteria in the U.S. through surveillance and special studies, review of national healthcare data sets, and laboratory surveillance programs; (5) conducts epidemiologic, and basic and applied laboratory research to identify new strategies to monitor and prevent infections/antimicrobial resistance, and related adverse events or medical errors, especially those associated with medical or surgical procedures, indwelling medical devices, contaminated products, dialysis, and water; (6) collaborates with academic and public health partners to design, develop, and evaluate new approaches to monitoring infections and the efficacy of interventions for preventing infections and reducing antimicrobial resistance, and related adverse events or medical errors; (7) develops and disseminates evidence-based guidelines and recommendations to prevent and control HAI, antimicrobial resistance, and related adverse events or medical errors; (8) promotes the nationwide implementation of CDC guidelines and other evidence-based interventions to prevent HAI, antimicrobial resistance, and related adverse events or medical
