

Monroe County. Following consultation with the three communities, FEMA determined that additional time was needed and the inspection procedure was extended to December 31, 2011 by letter to the communities. Upon further consultation and evaluation, the inspection procedure was extended to June 28, 2013, to allow for the completion of the inspection procedure.

Following consultation with the three communities, FEMA found that the Village of Islamorada, the City of Marathon, and Monroe County, Florida, had fulfilled the requirements of the inspection procedure. As a result, FEMA notified the three participating communities that the pilot inspection procedure under 44 CFR 59.30 would terminate on June 28, 2013. FEMA is publishing this document to give notice that the pilot inspection procedure under the Pilot Inspection Program at 44 CFR 59.30 was terminated on June 28, 2013 for Monroe County, the Village of Islamorada, and the City of Marathon, Florida. FEMA expects that the three communities will continue to use their authorities and enforcement provisions (e.g., additional inspections during the building permit process, other enforcement provisions in their flood damage prevention ordinance, or a Section 1316 declaration by FEMA, if all other methods fail to bring compliance) beyond June 28, 2013.
