## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on October 23, 2014, the U.S. Department of Justice lodged a proposed consent decree with the United States District Court for the Southern District of New York in *United States v. Kiryas Joel Poultry Processing Plant, Inc.*, No. 14 Civ. 8458.

The United States filed a complaint in this action on the same day that the consent decree was lodged with the Court. The defendants are Kiryas Joel Poultry Processing Plant, Inc. and Kiryas Joel Meat Market Corporation. The complaint relates to the defendants' poultry processing plant located at 7 Dinev Court, Monroe, New York, and their pretreatment facility, located at or near 50 Bakertown Road, Monroe, New York. The complaint alleges that the defendants violated the Clean Water Act, 33 U.S.C. 1311, 1317, and 1319, by: (1) Discharging spills and overflows of untreated wastewater from their property into storm drains, catch basins and storm sewers that discharge directly into navigable waters, in violation of Section 301 of the Act; (2) failing to obtain a stormwater permit pursuant to Section 402 of the Act, and discharging stormwater associated with industrial processes in violation of Section 301 of the Act; and (3) discharging untreated wastewater at volumes that passed-through or interfered with a nearby publicly owned treatment works ("POTW"), which itself discharges to navigable waters, in violation of Section 307 of the Act.

The consent decree requires the defendants to pay a \$330,000 civil penalty and to perform injunctive relief, including enhanced monitoring of the plant's effluent and the submission of,

and compliance with, contingency plans in the event of equipment failures, and any further pass-throughs or interferences at the POTW. The consent decree resolves the civil claims of the United States for the violations alleged in the complaint through the date of lodging of the consent decree, and civil claims that could have brought against the defendants by the United States pursuant to Sections 307 or 309 of the Act for (i) violations of a previously issued administrative order or (ii) certain violations of the Clean Water Act occurring through the date of lodging of the consent decree.

**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Investment Advice Participants and Beneficiaries information collection requirements codified in regulations 29 CFR 2550–408g–1. The regulatory provision contains the following information collection requirements: (1) A fiduciary adviser must furnish an initial disclosure that provides detailed information to participants about an advice arrangement before initially providing investment advice; (2) a fiduciary adviser must annually engage an independent auditor to audit the investment advice arrangement for compliance with the regulation; (3) if the fiduciary adviser provides the investment advice through the use of a computer model, then—before providing the advice—the fiduciary adviser must obtain a written certification from an eligible investment expert as to the computer model’s compliance with certain standards (e.g., applies generally accepted investment theories, unbiased operation, and objective criteria) set forth in the regulation; and (4) a fiduciary adviser must maintain records with respect to the investment advice provided in reliance on the regulation necessary to determine whether the applicable requirements of the regulation have been satisfied. Employee Retirement Income Security Act of 1974 sections 408(b)(14) and 408(g) authorize this information collection. See 29 U.S.C. 1108(b)(14), 1108(g).
