Any Acquiring Fund Sub-Advisor will waive fees otherwise payable to the Acquiring Fund Sub-Advisor, directly or indirectly, by the Acquiring Management Company in an amount at least equal to any compensation received from a Fund, or its respective Master Fund, by the Acquiring Fund Sub-Advisor, or an affiliated person of the Acquiring Fund Sub-Advisor, other than any advisory fees paid to the Acquiring Fund Sub-Advisor or its affiliated person by the Fund, or its respective Master Fund, in connection with any investment by the Acquiring Management Company in the Fund made at the direction of the Acquiring Fund Sub-Advisor. In the event that the Acquiring Fund Sub-Advisor waives fees, the benefit of the waiver will be passed through to the Acquiring Management Company.

16. Any sales charges and/or service fees charged with respect to shares of an Acquiring Fund will not exceed the limits applicable to a fund of funds as set forth in NASD Conduct Rule 2830.

17. No Fund, or its respective Master Fund, will acquire securities of any other investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A) of the Act, except to the extent (i) the Fund, or its respective Master Fund, acquires securities of another investment company pursuant to exemptive relief from the Commission permitting the Fund, or its respective Master Fund, to acquire securities of one or more investment companies for short-term cash management purposes or (ii) the Fund acquires securities of the Master Fund pursuant to the Master-Feeder Relief.

18. Before approving any advisory contract under section 15 of the Act, the Board of each Acquiring Management Company, including a majority of the Independent Trustees, will find that the advisory fees charged under such advisory contract are based on services provided that will be in addition to, rather than duplicative of, the services provided under the advisory contract(s) of any Fund, or its respective Master Fund, in which the Acquiring Management Company may invest.

These findings and their basis will be recorded fully in the minute books of the appropriate Acquiring Management Company.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-74417; File No. SR-ISE-2015-06]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Schedule of Fees

March 3, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 18, 2015, the International Securities Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to amend its Schedule of Fees to increase certain network and gateway fees. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the Schedule of Fees to increase certain network and gateway fees. The Exchange charges an Ethernet fee for its four different Ethernet connection options, which is \$750 per month for a 1 Gigabit (“Gb”) connection, \$4,000 per month for a 10 Gb connection, \$7,000 per month for a 10 Gb low latency connection, and \$12,500 per month for a 40 Gb low latency connection. These Ethernet connectivity options provide access to both the ISE and the ISE’s sister exchange, ISE Gemini, LLC (“ISE Gemini”).³ The Exchange proposes to increase these Ethernet fees to \$1,000 per month for the 1 Gb connection, \$4,500 per month for the 10 Gb connection, \$8,000 per month for the 10 Gb low latency connection, and \$15,000 per month for the 40 Gb low latency connection. In addition, the Exchange offers both shared and dedicated gateways to facilitate member access to ISE and ISE Gemini for a single fee. The Exchange charges members a monthly gateway fee of \$500 per gateway for a shared gateway or \$2,000 per gateway pair for members that elect to use their own dedicated gateways as an alternative to using shared gateways. The Exchange proposes to increase the gateway fee to \$750 per month for a shared gateway and \$2,250 per month for a dedicated gateway pair.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and Section 6(b)(4) of the Act,⁵ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that it is reasonable and equitable to increase the network and gateway fees described in this filing as the new fees are more in line with the Exchange’s current connectivity costs, including costs for software and

hardware enhancements, and resources dedicated to development, quality assurance, and support. The proposed fees are within the range of fees currently charged by other options exchanges. Furthermore, the Exchange believes that the proposed fees are not unfairly discriminatory as all market participants that use these services will pay the same fee based on the connectivity options that they choose, and there is no differentiation among market participants with regard to the fees charged.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁶ the Exchange does not believe that the proposed rule change will impose any burden on intermarket or intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change increases certain network and gateway fees to levels that are within the range of fees charged by other options exchanges. These fees will be charged to all firms that elect to use the connectivity options described in this filing. The Exchange operates in a highly competitive market in which market participants can readily direct their order flow to competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed fee changes reflect this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4 thereunder,⁸ because it establishes a due, fee, or other charge imposed by ISE.

At any time within 60 days of the filing of such proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments
