**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on June 4, 2014, based on a complaint filed by Spansion LLC ("Spansion"). 79 FR 32312-13 (June 4, 2014). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain non-volatile memory chips and products containing the same by reason of infringement of four U.S. patents. The notice of investigation named as respondents Macronix International Co., Ltd.; Macronix Asia Limited; Macronix (Hong Kong) Co., Ltd.; Macronix America, Inc. (collectively, "Macronix"); Acer Inc.; Acer America Corp.; ADT-Corp.; Amazon.com, Inc.; ASRock Inc.; ASRock America, Inc.; ASUSTeK Computer Inc.; Asus Computer International; Belkin International, Inc.; D-Link Corporation; D-Link Systems, Inc.; Leap Motion, Inc.; Lowe's Companies, Inc.; Lowe's Home Centers, LLC (f/k/a Lowe's Home Centers, Inc.); Microsoft Corp.; Nintendo Co., Ltd.; Nintendo of America, Inc.; Sercomm Corporation; Vonage Holdings Corp.; Vonage America Inc.; and Vonage Marketing LLC.

On January 29, 2015, Spansion and all respondents filed an unopposed motion to terminate the investigation based on a settlement agreement between Spansion and Macronix. On the same day, Spansion and Macronix filed a joint motion to limit service of their settlement agreement pursuant to Commission Rule 210.21(b)(1). On February 9, 2015, Commission investigative attorney Monisha Deka ("IA") filed a response in support of both motions.

On February 18, 2015, the ALJ issued the subject ID granting both motions and terminating the investigation. The ALJ noted the parties' assertion that the settlement agreement between Spansion and Macronix fully resolves the investigation with respect to all respondents and that there are no other agreements between the parties concerning the subject matter of this investigation. The ALJ further found no evidence that termination based on the

settlement agreement would impose any undue burdens on public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive articles in the United States, or U.S. consumers. To the contrary, the ALJ found that termination is in the public interest because it would avoid needless litigation and conserve public resources.

The ALJ found that Spansion and Macronix filed a confidential and public version of the settlement agreement in compliance with Commission Rule 210.21(b). The ALJ additionally found that because the settlement agreement at issue is confidential between Spansion and Macronix, there was good cause to limit service of that agreement to Spansion, the Macronix respondents, and the IA. No petitions for review of the ID were filed.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

### Certain Television Sets, Television Receivers, Television Tuners, and Components Thereof, Capabilities and Components Thereof; Request for Statements on the Public Interest

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the presiding administrative law judge has issued a Final Initial Determination on Violation of Section 337 and Recommended Determination on Remedy and Bond in the above-captioned investigation. The Commission is soliciting comments from the public on public interest issues raised by the recommended relief, specifically that if the Commission were to find a violation of section 337, 19 U.S.C. 1337, that the Commission issue limited exclusion orders and cease and desist orders directed to the

respondents. The ALJ rejected the respondents' arguments that the public interest stands in the way of relief for the complainants. This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

**SUPPLEMENTARY INFORMATION:** Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's Recommended Determination on Remedy and Bond issued in this investigation on February 27, 2015. Comments should address whether issuance of a limited exclusion order and/or cease and desist orders in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like

or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and

(v) explain how the limited exclusion order and/or cease and desist orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on Tuesday, April 7, 2015.

By order of the Commission.

Issued: March 13, 2015.
