Title: Application for Foreign-Trade Zone Admission and/or Status Designation, and Application for Foreign-Trade Zone Activity Permit.

OMB Number: 1651-0029.

Form Numbers: 214, 214A, 214B, 214C, and 216.

Abstract: Foreign trade zones (FTZs) are geographical enclaves located within the geographical limits of the United States but for tariff purposes are

considered to be outside the United States. Imported merchandise may be brought into FTZs for storage, manipulation, manufacture or other processing and subsequent removal for exportation, consumption in the United States, or destruction. A company bringing goods into an FTZ has a choice of zone status (privileged/non-privileged foreign, domestic, or zone-restricted), which affects the way such goods are treated by Customs and Border Protection (CBP) and treated for tariff purposes upon entry into the customs territory of the U.S.

CBP Forms 214, 214A, 214B, and 214C, which make up the *Application for Foreign-Trade Zone Admission and/or Status Designation*, are used by companies that bring merchandise into an FTZ to register the admission of such merchandise into FTZs and to apply for the appropriate zone status. CBP Form 216, *Foreign-Trade Zone Activity Permit*, is used by companies to request approval to manipulate, manufacture, exhibit, or destroy merchandise in an FTZ.

These FTZ forms are authorized by 19 U.S.C. 81 and provided for by 19 CFR 146.22, 146.32, 146.41, 146.44, 146.52, 146.53, and 146.66. These forms are accessible at: <http://www.cbp.gov/newsroom/publications/forms>.

Action: CBP proposes to extend the expiration date of this information collection with no change to the burden hours or to CBP Forms 214, 214A, 214B, 214C, and 216.

Type of Review: Extension (without change).

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or

(3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing

sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Agriculture*: Ms. Debra Kerr, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 300, Washington, DC 20024, (202)-720-8873; (This is not a toll free number).
