**SUPPLEMENTARY INFORMATION:** On  
November 5, 2009, President Obama  
signed the "Memorandum for the Heads  
of Executive Departments and Agencies  
on Tribal Consultation." The President  
stated that his Administration is  
committed to regular and meaningful  
consultation and collaboration with  
tribal officials in policy decisions that  
have tribal implications, including, as  
an initial step, through complete and  
consistent implementation of Executive  
Order 13175.

The United States has a unique legal  
and political relationship with Indian  
tribal governments, established through  
and confirmed by the Constitution of  
the United States, treaties, statutes,  
executive orders, and judicial decisions.  
In recognition of that special  
relationship, pursuant to Executive  
Order 13175 of November 6, 2000,  
executive departments and agencies are  
charged with engaging in regular and  
meaningful consultation and  
collaboration with tribal officials in the  
development of federal policies that  
have tribal implications and are  
responsible for strengthening the  
government-to-government relationship  
between the United States and Indian  
tribes.

HHS has taken its responsibility to  
comply with Executive Order 13175  
very seriously over the past decade,  
including the initial implementation of  
a Department-wide policy on tribal  
consultation and coordination in 1997,  
and through multiple evaluations and  
revisions of that policy, most recently in  
2010. ACF has developed its own  
agency-specific consultation policy that  
complements the Department-wide  
efforts.

The ACF Tribal Consultation Session  
will begin the morning of May 21, 2015,  
and continue throughout the day until  
all discussions have been completed. To  
help all participants to prepare for this  
consultation, planning teleconference  
calls will be held on:

Wednesday, April 29, 2015, 3:00 p.m.–  
4:00 p.m. Eastern Time

Wednesday, May 6, 2015, 3:00 p.m.–  
4:00 p.m. Eastern Time

Wednesday, May 13, 2015, 3:00 p.m.–  
4:00 p.m. Eastern Time

The call-in number is: 866-769-9393.  
The passcode is: 4449449#.

The purpose of the planning calls will  
be to identify individuals who will

provide testimony to ACF, solicit for  
tribal moderators, and identify specific  
topics of interest so we can ensure that  
all appropriate individuals are present.

Testimonies are to be submitted no  
later than May 15, 2015, to: Lillian  
Sparks Robinson, Commissioner,  
Administration for Native Americans,  
370 L'Enfant Promenade SW.,  
Washington, DC 20447,

**Information Collection Request Title:** Maternal, Infant, and Early Childhood Home Visiting (Home Visiting) Program, Competitive Funding Opportunity Announcement OMB No. 0915-0351—Extension

**Abstract:** The Home Visiting Program, administered by HRSA in close partnership with the Administration for Children and Families (ACF), supports voluntary, evidence-based home visiting services during pregnancy and to parents with young children up to kindergarten entry. All fifty (50) states, the District of Columbia, five U.S. territories, and eligible nonprofit organizations are eligible for Home Visiting Competitive Funding.

**Need and Proposed Use of the Information:** The purpose of this announcement is to solicit applications for the fiscal year 2016 (FY16) Home Visiting Competitive Grant program. The Competitive Grants provide funds to eligible entities that are states and certain territories that continue to make significant progress toward implementing a high-quality home visiting program as part of a comprehensive, high-quality early childhood system and are ready and able to take effective programs to scale to address unmet need. Grantees will use the funds to provide ongoing support to high-quality evidence-based home visiting programs and for the incremental expansion of evidence-based home visiting programs funded to achieve greater enrollment and retention of families eligible for home visiting. Additionally, this funding opportunity will continue the program's emphasis on rigorous research by grounding the proposed work in relevant empirical literature and by including requirements to evaluate work proposed under this grant.
