DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Modification of Consent Decree Under the Clean Air Act

On February 13, 2017, the Department of Justice lodged a proposed modification to a Consent Decree with the United States District Court for the Western District of Louisiana in *United States and the Louisiana Department of Environmental Quality v. Cabot Corporation*, Civil Case No. 13-3095 (W.D. La.).

The original Consent Decree was entered on March 13, 2014, and resolved civil claims under the Clean Air Act at the Defendant's three carbon black manufacturing facilities located in Louisiana and Texas. The Consent Decree imposed various pollution control requirements on Defendant's facilities, including requirements related to sulfur dioxide, nitrogen oxides, and particulate matter emissions. At the Canal and Ville Platte facilities in Louisiana, these pollution control requirements included, among other requirements, installation of Wet Gas Scrubber ("WGS") systems designed to reduce sulfur dioxide emissions, and Selective Catalytic Reduction ("SCR") systems to reduce nitrogen oxide emissions. The WGS systems are also expected to result in an

ancillary reduction in particulate matter emissions.

The parties to the Consent Decree have agreed to certain modifications to the Decree that reflect a more refined understanding of the ancillary particulate matter reductions expected from the sulfur dioxide controls, and associated scheduling delays. The modifications would extend the deadlines for installing controls by six-and-a-half months at the Canal facility and by nine months at the Ville Platte facility, and would establish a process for Cabot to petition EPA for an alternative particulate matter limit to reflect the ancillary particulate reductions expected from the sulfur dioxide controls.

The publication of this notice opens a period for public comment on the proposed modifications to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and the Louisiana Department of Environmental Quality v. Cabot Corporation*, Civil Case No. 13–3095 (W.D. La.), D.J. Ref. No. 90–5–2–1–10355. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

By mail	Assistant Attorney General, U.S. DOJ–ENRD, P.O. Box 7611, Washington, DC 20044–7611.

During the public comment period, the proposed modifications to the Consent Decree may be examined and downloaded at this Justice Department Web site: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the proposed modifications upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ–ENRD, P.O. Please enclose a check or money order for \$4.00 (25 cents per page reproduction cost) payable to the United States Treasury.

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the information collection requirements contained in the Prohibited Transaction Class Exemption (PTE) applicable to the sale of individual life insurance or annuity contracts by a plan (PTE 1992–6). More specifically, PTE 1992–6 exempts from the prohibited transaction restrictions of the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1101 *et seq.*, the sale of individual life insurance or annuity contracts by a plan to participants, relatives of participants, employers any of whose employees are covered by the plan, other employee benefit plans, owner-employees or shareholder-employees; provided, certain conditions are met. In the absence of this exemption, certain aspects of these transactions might be prohibited by ERISA section 406. Among other conditions, PTE 1992–6 requires that a pension plan inform the insured participant of a proposed sale of a life insurance or annuity policy to the employer, a relative, another plan, an owner-employee, or a shareholder-employee. ERISA section 408(a) authorizes this information collection. See 29 U.S.C. 1108(a).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210–0063.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on February 28, 2017. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
