SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83042; File No. SR-CBOE-2018-028]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Adopt PAR Hardware Replacement Fees

April 12, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 2,

2018, Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt Fees related to PAR hardware.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt Fees related to PAR hardware. Specifically, the Exchange proposes to assess fees for certain PAR related hardware that needs to be replaced due to loss or damage. Currently, the Exchange provides replacement PAR tablets, stylus, chargers, adapters and protective cases free of charge to Trading Permit Holders ("TPHs"). While the Exchange will continue to provide these initial items free of charge, as well as replace any defective items free of charge, it no longer wishes to subsidize items that need replacement because of loss or because of non-normal wear and tear. As such, the Exchange proposes to implement the following fees:

Replacement Tablet	\$1,300 each.
Replacement Stylus Pen	\$100 each.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Replacement Chargers \$75 each.
Replacement adapters and \$50 each.
protective cases.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.³ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁴ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁵ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

The Exchange believes the proposed rule change is reasonable because the amount of fees assessed reflect the approximate cost to the Exchange to provide those items to TPHs. The Exchange believes it’s equitable and not unfairly discriminatory because TPHs that lose these items or damage these items from non-normal wear or tear should be responsible for the cost of replacement. The Exchange believes the proposed fees will encourage TPHs to take proper care of the above-mentioned PAR related hardware. As noted above, the Exchange will still provide the initial items free of charge and will also not charge TPHs to replace defective items (that were not the result of non-normal wear and tear).

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intramarket or intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that the proposed rule

change applies to all TPHs that lose or damage the above-mentioned PAR related hardware. The Exchange also notes the proposed rule change is not intended for competitive purposes, but rather because the Exchange no longer wishes to subsidize TPHs for items they lose or break.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and paragraph (f) of Rule 19b-4⁷ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
