

that documented the technical safety review of DCP, Unit Nos. 1 and 2. Appendix A of the safety evaluation report listed PG&E's commitments for renewal of the operating licenses.

The NRC staff resumed the review of the license renewal application after PG&E submitted the annual update for the application on December 22, 2014 (ADAMS Package Accession No. ML14364A259). Subsequently, on June 21, 2016, PG&E requested that the NRC staff suspend the license renewal review (ADAMS Accession No. ML16175A561). At that time, PG&E also requested approval from the California Public Utilities Commission not to proceed with license renewal. The NRC staff suspended the license renewal review in July 2016. On January 11, 2018, the California Public Utilities Commission approved PG&E's proposal to close DCP, Unit Nos. 1 and 2, when its current licenses expire. By letter dated March 7, 2018, PG&E requested withdrawal of its license renewal application, including all associated correspondence and commitments, for DCP, Unit Nos. 1 and 2 (ADAMS Accession No. ML18066A937).

Pursuant to the requirements in part 2 of title 10 of the *Code of Federal Regulations*, the Commission grants PG&E's request to withdraw DCP, Unit Nos. 1 and 2, license renewal application.

Dated at Rockville, Maryland, this 17th day of April 2018.

POSTAL SERVICE

Revision to ZIP Code Zone Charts for APO/FPO/DPO Inbound Mail

AGENCY: Postal Service™.

ACTION: Notice.

SUMMARY: The Postal Service will rezone Inbound Mail from APO/FPO/DPO ZIP Codes to coordinate the Origin/Destination ZIP Codes with the designated International Service Centers (ISC) through which each originating ZIP Code dispatches mail.

DATES: *Applicable:* June 1, 2018.

FOR FURTHER INFORMATION CONTACT:

Direct questions or comments to Kimberly G. Forehan by email at kimberly.g.forehan@usps.gov or phone (859) 447-2652.

SUPPLEMENTARY INFORMATION: Effective with the ZIP Code Zone Charts update on June 1, 2018, Inbound Mail from APO/FPO/DPO ZIP Codes will be rezoned to coordinate the Origin/Destination ZIP Codes with the designated International Service Centers (ISC) through which each originating ZIP Code dispatches mail. This means that mail being sent from the various APO/FPO/DPO ZIP codes will be realigned so that both outbound and inbound ZIPs will be paired with the areas they serve. The US Postal Service refers to these relationships as "reciprocal" or "retrograde" pairs. This is a change from the current process where Pacific ZIP Codes are zoned through the San Francisco ISC and the European ZIP Codes are zoned through the JFK ISC. After June 1, 2018, each of the five ISCs will be aligned with reciprocal pairs for inbound mail from APO/FPO/DPO ZIP Codes. This will result in a more accurate pricing model for Military customers mailing items back to the United States.

Attorney, Federal Compliance.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension:

Rule 206(3)-2; SEC File No. 270-216, OMB Control No. 3235-0243

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 206(3)-2, (17 CFR 275.206(3)-2,) which is entitled "Agency Cross Transactions for Advisory Clients," permits investment advisers to comply with section 206(3) of the Investment Advisers Act of 1940 (the "Act") (15 U.S.C. 80b-6(3)) by obtaining a client's blanket consent to enter into agency cross transactions (*i.e.*, a transaction in which an adviser acts as a broker to both the advisory client and the opposite party to the transaction). Rule 206(3)-2,

applies to all registered investment advisers. In relying on the rule, investment advisers must provide certain disclosures to their clients. Advisory clients can use the disclosures to monitor agency cross transactions that affect their advisory account. The Commission also uses the information required by Rule 206(3)-2, in connection with its investment adviser inspection program to ensure that advisers are in compliance with the rule. Without the information collected under the rule, advisory clients would not have information necessary for monitoring their adviser's handling of their accounts and the Commission would be less efficient and effective in its inspection program.

The information requirements of the rule consist of the following: (1) Prior to obtaining the client's consent, appropriate disclosure must be made to the client as to the practice of, and the conflicts of interest involved in, agency cross transactions; (2) at or before the completion of any such transaction, the client must be furnished with a written confirmation containing specified information and offering to furnish upon request certain additional information; and (3) at least annually, the client must be furnished with a written statement or summary as to the total number of transactions during the period covered by the consent and the total amount of commissions received by the adviser or its affiliated broker-dealer attributable to such transactions.

The Commission estimates that approximately 426 respondents use the rule annually, necessitating about 50 responses per respondent each year, for a total of 21,300 responses. Each response requires an estimated 0.5 hours, for a total of 10,650 hours. The estimated average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or representative survey or study of the cost of Commission rules and forms.

This collection of information is found at (17 CFR 275.206(3)-2) and is necessary in order for the investment adviser to obtain the benefits of Rule 206(3)-2. The collection of information requirements under the rule is mandatory. Information subject to the disclosure requirements of Rule 206(3)-2 does not require submission to the Commission; and, accordingly, the disclosure pursuant to the rule is not kept confidential.

Commission-registered investment advisers are required to maintain and preserve certain information required under Rule 206(3)-2 for five (5) years. The long-term retention of these records

is necessary for the Commission's inspection program to ascertain compliance with the Advisers Act.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following website, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta.Ahmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: April 18, 2018.

Eduardo A. Aleman,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83054; File No. SR-NASDAQ-2018-027]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Delete Duplicative Rules Related to the Consolidated Audit Trail From Its Rulebook

April 17, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 5, 2018, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete the rules related to the Consolidated Audit Trail ("CAT Rules") currently under Chapter IX, Sections 8 and 9 of Nasdaq's Options Rules, as further described below.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to delete the CAT Rules currently under Nasdaq's Options Rules, Chapter IX, Sections 8 and 9 because these rules are already located in General 7, entitled "Consolidated Audit Trail Compliance," under the "General Equity and Options Rules" in the Exchange's rulebook's shell structure.³ Given that the CAT Rules contained in General 7 are non-product specific and are identical to the CAT Rules in Nasdaq's Options Rules,⁴ the Exchange proposes to delete the duplicative rules

³ The Exchange added a shell structure to its rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges: Nasdaq BX, Inc.; Nasdaq PHLX LLC; Nasdaq ISE, LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC ("Affiliated Exchanges"). See Securities Exchange Act Release No. 82175 (November 29, 2017), 82 FR 57494 (December 5, 2017) (SR-NASDAQ-2017-125).

⁴ As part of its continued effort to promote efficiency and conformity of its rules with those of the Affiliated Exchanges, the Exchange recently relocated the CAT Rules previously under the 6800 Series of Nasdaq's Equity Rules to General 7 because the CAT Rules apply across all markets and to all products. See Securities Exchange Act Release No. 82604 (January 30, 2018), 83 FR 5154 (February 5, 2018) (SR-NASDAQ-2018-007).

in Nasdaq's Options Rules as market participants transacting on the Exchange's equity and options markets are already governed by the CAT Rules in General 7.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest by removing the duplicative CAT Rules from Nasdaq's Options Rules. As discussed above, Exchange members are already governed by the CAT Rules in General 7 of the rulebook's shell structure. The Exchange believes that the proposed changes will make the Exchange's rulebook easier to read and eliminate any potential confusion to the benefit of its members and investors.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes as discussed above do not impose a burden on competition because they are non-substantive and are intended to clarify the Exchange's rulebook in order to eliminate any potential confusion.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and
