

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

#### Consultation

A detailed assessment of the human remains was made by the NSHS professional staff in consultation with representatives of the Pawnee Nation of Oklahoma.

#### History and Description of the Remains

In 1936, human remains representing, at minimum, one individual were removed from the Wright Site (25NC3) in Nance County, NE. The human remains were excavated by the NSHS during an archeological investigation. Age and sex of the individual are indeterminate. No known individual was identified. There are no associated funerary objects.

The Wright Site is a well-documented, Pawnee earthlodge village. Human remains from the site have been previously repatriated to the Pawnee Nation of Oklahoma. In 2017, these human remains were found at the NSHS in a box labeled 'animal bone.'

#### Determinations Made by the NSHS

Officials of the NSHS have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and Pawnee Nation of Oklahoma.

#### Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to Rob Bozell, Nebraska State Historical Society, P.O. Box 82554, Lincoln, NE 68501, telephone (402) 525-1624, email [rob.bozell@nebraska.gov](mailto:rob.bozell@nebraska.gov), by May 31, 2018. After that date, if no additional requestors have come forward, transfer of control of the human remains to the Pawnee Nation of Oklahoma may proceed.

The NSHS is responsible for notifying the Pawnee Nation of Oklahoma that this notice has been published.

Dated: April 10, 2018.

### History and Description of the Remains

At some time before 1915, human remains representing, at minimum, one individual were removed from the Bladen Ossuary (25AD4) in Adams County, NE. The human remains, represented by a single bone, were donated by the landowner to the NSHS in 1915. Age and sex of the individual are indeterminate. No known individuals were identified. The 11 associated funerary objects are one lot of marine and freshwater mussel shell disk beads, one whelk columella (*Busycon* sp.), five shell pendants, and four additional unmodified shell fragments.

In 1964, human remains representing, at minimum, five individuals were removed from Site 25AP29 in Antelope County, NE. The human remains were found in an ossuary during unspecified construction and were reported to and recovered by the NSHS. The human remains represent two males, two females, and one individual of indeterminate sex. No known individuals were identified. The five associated funerary objects are four pieces of sandstone and one piece of chert.

At some point before 1934, human remains representing, at minimum, one individual were removed from an unknown site in Boyd County, NE. The human remains were donated to the NSHS in 1934 or 1936 by George Wilcox. Age and sex of the individual are indeterminate. No known individuals were identified. No associated funerary objects are present.

In 1968, human remains representing, at minimum, one individual were removed from Site 25BT11, in Burt County, NE. The human remains were found during bridge construction. The NSHS was contacted to investigate and collected the exposed material. Age and sex of the individual are indeterminate. No known individuals were identified. No associated funerary objects are present.

In the 1930s, human remains representing, at minimum, one individual were removed from an unknown site in Cass County, NE, north of the City of Plattsmouth. The human remains were donated to the NSHS in the 1930s by Dr. Lloyd Kunkel. The human remains came with a note stating "Indian burial north of Plattsmouth." Age and sex of the individual are indeterminate. No known individuals
