Thence, North 0°14'18" East along the west boundary of Section 6 a distance of 116.96 feet to the Point of Beginning.

Metes and Bounds Basis of Bearings: Per a Record of Survey filed January 17, 2014, filed under Instrument No. 655830 in the office of the Recorder of Bingham County, Idaho, at the request of Keller Associates Inc.

The land(s) described contain 56.60 acres, more or less.

The above-referenced parcel was researched and described in the October 4, 2016, Disclaimer of Interest Report by Mark Smirnov, BLM Cadastral Surveyor (now retired). In his report, Mr. Smirnov references a BLM Official Dependent Resurvey approved on August 31, 2006, and filed on November 17, 2006. The report concludes that there were no original fraudulent or grossly erroneous errors made in the original public land surveys and, therefore, the land outside the originally described northerly meanders of the Snake River is a combination of non-substantial omitted

lands and accretions to the original patent description.

The parcel that is the subject of this disclaimer application is claimed by LaRue J. Rich and Violet B. Rich based on the fact that they are the current owners of the property immediately abutting the northerly boundary of the unsurveyed property. The adjacent property owned by LaRue J. Rich and Violet B. Rich was obtained via a United States patent that was issued on April 12, 1928 (no. 1014619), to their predecessor, Lafayette S. Rich, under the authority of the Desert Land Act of March 3, 1877 (19 Stat. 377). The unsurveyed parcel that is the subject of this disclaimer application abuts the patented property, and the application states that the parcel has been used by the Rich family as a part of their property since the family first entered the area in 1895. Issuing a recordable disclaimer would clarify title to the land. If no valid objection is received, a Disclaimer of Interest may be approved stating that the United States does not have a valid interest in the above-described land.

Comments, including names and street addresses of commentors, will be available for public review at the BLM Idaho State Office (see **ADDRESSES** above), during regular business hours, Monday through Friday, except Federal holidays. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR Subpart 1864.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1055]

Certain Mirrors With Internal Illumination and Components Thereof Issuance of a Limited Exclusion Order and Cease and Desist Order Directed Against the Defaulting Respondent; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has terminated the above-captioned investigation under section 337 of the Tariff Act of 1930, as amended, and has issued a limited exclusion order directed against infringing products of the respondent Project Light, LLC (d/b/a Project Light, Inc., Prospetto Light, LLC, and/or Prospetto Lighting, LLC) of Stow, Ohio (“Project Light” or “the defaulting respondent”) previously found in default. The Commission has also issued a cease and desist order directed against the defaulting respondent.

FOR FURTHER INFORMATION CONTACT:

Clint Gerdine, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708–2310. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 8, 2017, based on a complaint filed by Electric Mirror, LLC of Everett, Washington (“Electric Mirror”) and Kelvin 42 LLC of Pensacola, Florida (“Kelvin”). 82 FR 21405–06. The complaint, as amended, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of U.S. Patent Nos. 7,853,414 (“the ‘414 patent’”) and 7,559,668 (“the ‘668 patent’”). The complaint further alleged the existence of a domestic industry. The Commission’s notice of investigation named as respondents Project Light; Lumidesign Inc. of Ontario, Canada (“Lumidesign”); and Majestic Mirrors & Frame, LLC of Miami, Florida (“Majestic”). The complaint and notice of investigation were served on all respondents. See Notice of Investigation, Certificate of Service (May

2, 2017) (EDIS Document 610362). The Office of Unfair Import Investigations did not participate in the investigation.

On July 10, 2017, the Commission determined not to review an initial determination (“ID”) (Order No. 6) issued by the presiding administrative law judge (“ALJ”) terminating the investigation as to complainant Kelvin, respondent Majestic, and the ‘668 patent based on withdrawal of those allegations in the complaint. On July 27, 2017, the Commission determined not to review the ALJ’s ID (Order No. 8) terminating the investigation as to Lumidesign based on a settlement agreement.

On August 3, 2017, the ALJ issued an ID (Order No. 10) finding Project Light in default, pursuant to 19 CFR 210.16, because this respondent did not respond to the complaint and notice of investigation, or to Order No. 9 to show cause why it should not be found in default. On August 22, 2017, the Commission determined not to review the ID finding Project Light in default. The Commission found that the statutory requirements of section 337(g)(1)(A)–(E) (19 U.S.C. 1337(g)(1)(A)–(E)) were met with respect to Project Light. Accordingly, pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission rule 210.16(c) (19 CFR 210.16(c)), the Commission presumed the facts alleged in the complaint to be true.

On the same date, the Commission requested public briefing on remedy, the public interest, and bonding with respect to Project Light. 82 FR 43252–54 (Sept. 14, 2017). On September 5, 2017, Electric Light submitted responsive briefing including a proposed limited exclusion order directed to the covered products of Project Light and a cease and desist order directed to the defaulting respondent.

The Commission has determined that the appropriate form of relief includes a limited exclusion order prohibiting the unlicensed entry of mirrors with internal illumination and components thereof that infringe one or more of claims 9 and 18 of the ‘414 patent, which are manufactured abroad by or on behalf of, or are imported by or on behalf of, Project Light, or any of its affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or their successors or assigns. Appropriate relief also includes a cease and desist order prohibiting Project Light from conducting any of the following activities in the United States: importing, selling, marketing, advertising, distributing, offering for
