BILLING CODE 7050-01-P

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2018-018]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records
Administration (NARA).

ACTION: Notice of availability of
proposed records schedules; request for
comments.

SUMMARY: The National Archives and
Records Administration (NARA)
publishes notice at least once monthly
of certain Federal agency requests for
records disposition authority (records
schedules). Once approved by NARA,
records schedules provide mandatory
instructions on what happens to records
when agencies no longer need them for
current Government business. The
records schedules authorize agencies to
preserve records of continuing value in
the National Archives of the United
States and to destroy, after a specified
period, records lacking administrative,
legal, research, or other value. NARA
publishes notice in the **Federal Register**
for records schedules in which agencies
propose to destroy records they no
longer need to conduct agency business.
NARA invites public comments on such
records schedules.

DATES: NARA must receive requests for
copies in writing by March 9, 2018.
Once NARA finishes appraising the
records, we will send you a copy of the
schedule you requested. We usually
prepare appraisal memoranda that
contain additional information
concerning the records covered by a
proposed schedule. You may also
request these. If you do, we will also
provide them once we have completed
the appraisal. You have 30 days after we
send to you these requested documents
in which to submit comments.

ADDRESSES: You may request a copy of
any records schedule identified in this
notice by contacting Records Appraisal
and Agency Assistance (ACRA) using
one of the following means:

Mail: NARA (ACRA); 8601 Adelphi
Road; College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

FAX: 301-837-3698.

You must cite the control number,
which appears in parentheses after the

name of the agency that submitted the
schedule, and a mailing address. If you
would like an appraisal report, please
include that in your request.

FOR FURTHER INFORMATION CONTACT:

Margaret Hawkins, Director, by mail at
Records Appraisal and Agency
Assistance (ACRA); National Archives
and Records Administration; 8601
Adelphi Road; College Park, MD 20740-
6001, by phone at 301-837-1799, or by
email at request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: NARA
publishes notice in the **Federal Register**
for records schedules they no longer
need to conduct agency business. NARA
invites public comments on such
records schedules, as required by 44
U.S.C. 3303a(a).

Each year, Federal agencies create
billions of records on paper, film,
magnetic tape, and other media. To
control this accumulation, agency
records managers prepare schedules
proposing records retention periods and
submit these schedules for NARA's
approval. These schedules provide for
timely transfer into the National
Archives of historically valuable records
and authorize the agency to dispose of
all other records after the agency no
longer needs them to conduct its
business. Some schedules are
comprehensive and cover all the records
of an agency or one of its major
subdivisions. Most schedules, however,
cover records of only one office or
program or a few series of records. Many
of these update previously approved
schedules, and some include records
proposed as permanent.

The schedules listed in this notice are
media neutral unless otherwise
specified. An item in a schedule is
media neutral when an agency may
apply the disposition instructions to
records regardless of the medium in
which it creates or maintains the
records. Items included in schedules
submitted to NARA on or after
December 17, 2007, are media neutral
unless the item is expressly limited to
a specific medium. (See 36 CFR
1225.12(e).)

Agencies may not destroy Federal
records without Archivist of the United
States' approval. The Archivist approves
destruction only after thoroughly
considering the records' administrative
use by the agency of origin, the rights
of the Government and of private people
directly affected by the Government's
activities, and whether or not the
records have historical or other value.

In addition to identifying the Federal
agencies and any subdivisions
requesting disposition authority, this
notice lists the organizational unit(s)

accumulating the records (or notes that
the schedule has agency-wide
applicability when schedules cover
records that may be accumulated
throughout an agency); provides the
control number assigned to each
schedule, the total number of schedule
items, and the number of temporary
items (the records proposed for
destruction); and includes a brief
description of the temporary records.
The records schedule itself contains a
full description of the records at the file
unit level as well as their disposition. If
NARA staff has prepared an appraisal
memorandum for the schedule, it also
includes information about the records.
You may request additional information
about the disposition process at the
addresses above.

Agricultural Research Service (DAA-

switch in recordkeeping practices for
the Office of Origin occurred in 1995
and for the Auxiliary Office in 1991,
when it actually began on a rolling basis
in 1988 for both. The error in date spans
created an inadvertent gap, resulting in
some records created between 1988 and
1995 being unscheduled.
