

information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

E. Takings (E.O. 12630)

This rule does not effect a taking of private property or otherwise have takings implications under E.O. 12630. Therefore, a takings implication assessment is not required.

F. Federalism (E.O. 13132)

Under the criteria in section 1 of E.O. 13132, this rule does not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement. To the extent that State and local governments have a role in outer Continental Shelf activities, this rule will not affect that role. Therefore, a federalism summary impact statement is not required.

G. Civil Justice Reform (E.O. 12988)

This rule complies with the requirements of E.O. 12988. Specifically, this rule:

- (a) Meets the criteria of section 3(a) requiring that all regulations be reviewed to eliminate errors and ambiguity and be written to minimize litigation; and
- (b) Meets the criteria of section 3(b)(2) requiring that all regulations be written in clear language and contain clear legal standards.

H. Consultation With Indian Tribes (E.O. 13175 and Departmental Policy)

The Department of the Interior strives to strengthen its government-to-government relationship with Indian tribes through a commitment to consultation with Indian tribes and recognition of their right to self-governance and tribal sovereignty. We have evaluated this rule under the Department of the Interior's consultation policy, under Departmental Manual Part 512, Chapters 4 and 5, and under the criteria in E.O. 13175. We have determined that it has no substantial direct effects on Federally-recognized Indian tribes or Alaska Native Claims Settlement Act (ANCSA) Corporations, and that consultation under the Department of the Interior's tribal and ANCSA consultation policies is not required.

I. Paperwork Reduction Act

This rule does not contain information collection requirements, and a submission to the OMB under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) is not required.

J. National Environmental Policy Act

This rule does not constitute a major Federal action significantly affecting the

quality of the human environment. A detailed statement under the National Environmental Policy Act of 1969 (NEPA) is not required because, as a regulation of an administrative nature, this rule is covered by a categorical exclusion (*see* 43 CFR 46.210(i)). BOEM also determined that the rule does not implicate any of the extraordinary circumstances listed in 43 CFR 46.215 that would require further analysis under NEPA. Therefore, a detailed statement under NEPA is not required.

K. Effects on the Energy Supply (E.O. 13211)

This rule is not a significant energy action under the definition in E.O. 13211. Therefore, a Statement of Energy Effects is not required.

Missing Persons Act

AGENCY: Department of the Navy, DoD.
ACTION: Final rule.

SUMMARY: This final rule removes the DoD regulation on the Missing Persons Act because its content is internal to DoD. The corresponding internal guidance document has been updated since this rule was last amended, and it is publicly available. The rule is outdated and unnecessary.

Medical and Dental Care for Eligible Persons at Navy Department Facilities

AGENCY: Department of the Navy, Department of Defense.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of the Navy (DON) regulation concerning Medical and Dental Care for Eligible Persons at Navy Department Facilities. Eligibility for healthcare in military medical treatment facilities is established in statute and other DoD regulations, therefore, this regulation is redundant and should be repealed.

DATES: This rule is effective on March 26, 2019.

FOR FURTHER INFORMATION CONTACT: Commander Lakesha Chieves at 703–693–0238.

SUPPLEMENTARY INFORMATION: Code of Federal Regulations, title 32, subtitle A, chapter VI, subchapter C, part 728, “Medical and Dental Care for Eligible Persons at Navy Medical Department Facilities” is a Department of the Navy regulation prescribing the eligibility for medical and dental care in Navy Medical Treatment Facilities to specific

eligible persons including active duty members of the uniformed services, their family members, members and family members of the Reserve Components of the uniformed services, retirees of the uniformed services and their family members, members of Foreign Military Services and their family members, beneficiaries of other Federal Agencies, and other persons deemed eligible for care. Eligibility for care in military medical treatment facilities is established in 10 U.S.C. 1071–1110b, 32 CFR part 199, “Civilian Health and Medical Program of the Uniformed Services (CHAMPUS),” and 32 CFR part 108, “Health Care Eligibility Under the Secretarial Designee Program and Related Special Authorities.” The rule at 32 CFR part 728 is redundant and unnecessary. Non Naval Medical and Dental Care

AGENCY: Department of the Navy, Department of Defense.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of the Navy (DON) regulation concerning Non Naval Medical and Dental Care. This

regulation is redundant of a Department of Defense regulation on the payment of claims to private sector health care providers for health care services furnished to active duty members of all uniformed services, and it should be repealed.

DATES: This rule is effective on March 26, 2019.

FOR FURTHER INFORMATION CONTACT: Commander Lakesha Chieves 703–693–0238.

SUPPLEMENTARY INFORMATION: Code of Federal Regulations, title 32, subtitle A, chapter VI, subchapter C, part 732, “Non Naval Medical and Dental Care,” prescribes the responsibility, eligibility and procedures for processing civilian medical and dental claims for active duty Navy and Marine Corps service members. The processing of civilian medical and dental care claims for active duty Navy and Marine Corps service members as directed by part 732 was superseded in 1991 by 32 CFR 199.16, “Supplemental Health Care Program.” Section 199.16 provides for the payment of claims to private sector health care providers for health care services furnished to active duty members of all uniformed services. It has been determined that publication of this CFR part removal for public comment is impracticable and contrary to public interest since it is based upon removing redundant information.

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review.” Therefore, E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs” does not apply.
