Rural Housing Service

Title: 7 CFR 1944–N—Housing Preservation Grants.

OMB Control Number: 0575–0115.

Summary of Collection: The Rural Housing Service (RHS) is authorized to make grants to eligible applicants to provide repair and rehabilitation assistance so that very low- and low-income rural residents can obtain

adequate housing. Such assistance is made by grantees to very low- and low-income persons, and to co-ops. Grant funds are used by grantees to make loans, grants, or other comparable assistance to eligible homeowners, rental unit owners, and co-ops for repair and rehabilitation of dwellings to bring them up to code or minimum property standards. These grants were established by Public Law 98–181, the Housing Urban Rural Recovery Act of 1983, which amended the Housing Act of 1949 (Pub. L. 93–383) by adding section 533, 42 U.S.C. S 2490(m), Housing Preservation Grants.

Need and Use of the Information: An applicant will submit a “Statement of Activity” that describes its proposed program. RHS will collect information to determine eligibility for a grant to justify its selection of the applicant for funding; to report program accomplishments and to justify and support expenditure of grant funds. RHS uses this information to determine if the grantee is complying with its grant agreement and to make decisions regarding continuing with modifying or terminating grant assistance. If the information were not collected and presented to RHS, the Agency could not monitor the program or justify disbursement of grant funds.

Description of Respondents: Not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents: 1,093.

Frequency of Responses: Recordkeeping; Reporting: On occasion; Quarterly.

Total Burden Hours: 7,049.

Rural Housing Service

Title: 7 CFR 1951–F, Analyzing Credit Needs and Graduation Review.

OMB Control Number: 0575–0093.

Summary of Collection: Section 333 of the Consolidated Farm and Rural Development Act and Section 502 of the Housing Act of 1949, requires the Rural Housing Service (RHS), to graduate their direct loan borrowers to other credit when they are able to do so. Graduation is an integral part of Agency lending, as Government loans are not meant to be extended beyond a borrower's need for subsidized rates of non-market terms. The notes, security instruments, or loan agreements of most borrowers require borrowers to refinance their Agency loans when other credit becomes available at reasonable rates and terms. If the borrower finds other credit is not available at reasonable rates and terms, the Agency will continue to review the borrower for possible graduation at periodic intervals. Information will be

collected from the borrowers concerning their loans.

Need and Use of the Information: The information submitted by RHS borrowers to Agency offices is used to graduate direct borrowers to private credit with or without the use of Agency loan guarantees. At minimum, the financial information must include a balance sheet and an income statement. Other financial data collected will include information such as income, farm operating expenses, asset values, and liabilities.

Description of Respondents: Business or other for-profit.

Number of Respondents: 575.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 1,160.

Office of the Chief Financial Officer

Title: Information Collection Request; Representations Regarding Felony Conviction and Tax Delinquent Status for Corporate Applicants and Awardees. *OMB Control Number:* 0505–0025.

Summary of Collection: The Department of Agriculture (USDA) agencies and staff offices must comply with the restrictions set forth in Sections 744 and 745, in Division D—Financial Services and General Government Appropriations Act, Title VII: General Provisions—Governmentwide, Departments, Agencies, and Corporations of the Consolidated Appropriations Act, 2019, (Pub. L. 116–6, as amended and/or subsequently enacted), hereinafter Public Law 116–6. The restrictions apply to transactions with corporations that (1) have any “unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability and/or (2) were “convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction. The restrictions may not apply if a Federal agency considers suspension or debarment of the corporation and determines that such action is not necessary to protect the interests of the Government.

In fiscal years 2012–2014 the appropriation restriction provisions were not uniform across the government. To comply, USDA created two sets of forms—one set for use by all USDA agencies and offices, except the Forest Service (AD–3030, AD–3031) and one set for use by the Forest Service (AD–3030–FS and AD–3031–FS). In 2015, Congress eliminated the multiple versions of the appropriation restriction provisions and enacted a single set of

governmentwide provisions for all agencies and departments, thereby allowing USDA to collect this data with one set of forms—AD–3030 and AD–3031. The representations continue to be required as reflected in Public Law 116–6.

Need and Use of the Information: To comply with the appropriations restrictions, the information collection requires corporate applicants and awardees for USDA programs to represent accurately whether they have or do not have qualifying tax delinquencies or felony convictions which would prevent USDA from entering into a proposed business transaction with the corporate applicant. For nonprocurement programs and transactions, these representations will be submitted using the following forms:

- AD–3030—“Representations Regarding Felony Conviction or Tax Delinquent Status for Corporate Applicants”—This form will normally be included as part of the application package.
- AD–3031—“Assurance Regarding Felony Conviction or Tax Delinquent Status for Corporate Applicants”—This form is optional for agencies and staff offices to be included as part of the acknowledgement and acceptance package for nonprocurement contracts, grants, loans, loan guarantees, cooperative agreements and some memoranda of understanding/agreement. Some agencies and staff offices may choose to use the forms and others may choose to use the applicable boiler plate language.

This information assists the agencies and staff offices with identifying corporations and awardees with unpaid Federal tax liability and felony convictions status prior to entering into nonprocurement transactions for numerous Departmental programs.

Failure to collect this information may cause inappropriate use of funds and violation of the Anti-Deficiency Act.

Description of Respondents: Corporate applicants and awardees for USDA nonprocurement programs, including grants, cooperative agreements, loans, loan guarantees, some memoranda of understanding/agreement, and nonprocurement contracts.

Number of Respondents: 352,523.

Frequency of Responses: Reporting: Other: Corporations—each time they apply to participate in a multitude of USDA non-procurement programs; Awardees each time they receive an award.

Total Burden Hours: 242,360.
