<sup>1</sup> Following the close of the 60-day comment period for this notice, the OCC will publish a notice for 30 days of comment for this collection.

**SUPPLEMENTARY INFORMATION:** Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from OMB for each collection of information that they conduct or sponsor. Collection of information is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed extension of this collection of information.

**Title:** Domestic First Lien Residential Mortgage Data.

**OMB Control No.:** 1557–0331.

**Description:** Section 104(a) of the Helping Families Save Their Homes Act of 2009 (12 U.S.C. 1715z–25(a) (Act)), as amended by section 1493(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, requires the OCC to submit a quarterly report to Congress on mortgage modification activity in the federal banking system. Section 104(b) of the Act (12 U.S.C. 1715z–25(b)) requires the OCC to collect mortgage modification data from national banks and federal savings associations and provides for the collection of all data necessary to fulfill the reporting requirements of section 104(a). Those requirements include information on the number of mortgage modifications in each state that have certain characteristics, such as changes to the principal amount of a loan or changes to a homeowner’s total monthly principal and interest payment.

The OCC currently collects aggregate data on first-lien residential mortgage loans serviced by seven national banks with large mortgage-servicing portfolios. The required aggregate data are industry standard measures of portfolio performance, including: (1) Outstanding loan count and unpaid principal balance; (2) delinquency and liquidation ratios; and (3) the number of loss mitigation actions completed.

**Type of Review:** Extension without change of an existing information collection.

**Affected Public:** Businesses or other for-profit.

**Frequency of Response:** On occasion.

**Estimated Number of Respondents:** 61.

**Estimated Total Annual Burden:** 29,280 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information shall have practical utility;

(b) The accuracy of the OCC’s estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

To comply with this requirement, the OCC is publishing notice of the renewal of the collection of information set forth in this document.

**Title:** Interagency Guidance on Asset Securitization Activities.

**OMB Control No.:** 1557–0217.

**Description:** In 1999, the OCC issued the Interagency Guidance on Asset Securitization Activities<sup>2</sup> (guidance) in response to a determination that some institutions involved in asset securitization activities had significant weaknesses in their asset securitization practices. The information collection contained in the guidance applies to financial institutions engaged in asset securitization activities and provides that any institution engaged in these activities should maintain a written asset securitization policy, document the fair value of retained interests, and maintain a management information system to monitor asset securitization activities. Financial institution management uses the information collected to ensure the safe and sound operation of the institution’s asset securitization activities. The OCC uses the information to evaluate the quality

of an institution’s risk management practices.

**Affected Public:** Businesses or other for-profit.

**Type of Review:** Regular.
