Title: Holders or Containers Which Enter the United States Duty Free.

OMB Number: 1651-0035.

Current Action: CBP proposes to extend the expiration date of this information collection with no change to the burden hours or to the information collected.

Type of Review: Extension (with no change).

Affected Public: Businesses.

Abstract: Items 9801.00.10 and 9803.00.50 under the Harmonized Tariff Schedules of the United States (HTSUS), codified as 19 U.S.C. 1202, provides for the duty-free entry of substantial holders or containers of foreign manufacture if duty had been paid upon a previous importation pursuant to the provisions of 19 CFR 10.41b.

19 CFR 10.41b provides that substantial holders or containers are to have prescribed markings in clear and conspicuous letters of such a size that they will be easily discernable. Section 10.41b of the CBP regulations eliminates the need for an importer to file entry documents by instead requiring the marking of the containers or holders to indicate the HTSUS numbers that provide for duty free treatment of the containers or holders.

In order to comply with 19 CFR 10.41b in the case of serially numbered holders or containers of United States manufacture for which free clearance under 9801.00.10 HTSUS is claimed, the owner of the holder or container is required to place the markings on a metal tag or plate containing the following information: 9801.00.10, HTSUS; the name of the owner; and the serial number assigned by the owner. In the case of serially numbered holders or containers of foreign manufacture for which free clearance under 9803.00.50 HTSUS is claimed, the owner must place markings containing the following information: 9803.00.50 HTSUS; the port code numbers of the port of entry; the entry number; the last two digits of the fiscal year of entry covering the importation of the holders and containers on which duty was paid; the name of the owner; and the serial number assigned by the owner.
